Chairman's Statement

Dear Shareholders,

While we have been able to put up a decent performance, the year certainly wasn't a smooth ride and we faced numerous challenges. The global meltdown and reduced market demand coupled with excess capacity led to the drop in freight level overall globally. The Howe Robinson Container Index remained flat through the year and therefore similar effects were witnessed in the coastal shipping sector as well.

In fact, the domestic freight rates continue to be under pressure for a while now followed by marginal growth in volumes. During the year 2015-2016, the container throughput handled at major ports in India was 123 million tonnes which a growth of a minimal 3% over the previous fiscal. In fact, these ports cumulatively handled 8.2 million 20 teus units compared with 7.96 million teus.

During the year, Shreyas acquired three container vessels taking its fleet strength to nine vessels thereby increasing the capacity by 63% and rationalising the fleet age to 19.6 years. In fact in order to strengthen the PIX2 service, the newly acquired vessel M. V. SSL Visakhapatnam was deployed on the East Coast making this a fixed day weekly service. We are consistently making efforts to develop the market on the East coast of India and have therefore dedicated our latest acquisition to the port city of Visakhapatnam.

While the markets are likely to remain gloomy for a while, we will continue with our quest of developing the Indian coastal shipping sector. The support received from the Ministry of Shipping at various stages from time to time is extremely encouraging and gives us the impetus to strive for better each day. The first of its kind 'Maritime India Summit, 2016' organised by the Ministry of Shipping in Mumbai was a welcome initiative and only added to our belief that coastal shipping is soon to reach greater heights in future.

With a vast coastline, Indian shipping industry can add immense value to the corporate. The advantages of coastal shipping are diverse. It is not only a fuel efficient and environment friendly mode of transport but also offers economies of scale. Additionally, an increasing use of coastal shipping can generate employment opportunities for local population.

For any company to grow, information technology (IT) becomes the most integral and imperative element of business. Having realised this, we are working towards setting up best in class IT systems to enable us to keep pace with the rapid and dynamic changes in the business environment and help serve our customers better.

While our consolidated top line increased to ₹ 595.57 crores from ₹ 545.88 crores in the previous year, the Profit after Tax was ₹ 49.50 crores against ₹ 61.75 crores for the previous year. Going ahead, the year would have its own challenges but we are confident to sail through these rough waters comfortably. I say this basis my confidence in my team members who are the main support system of the Company. At all times, we consciously try to minimise costs while maximising gains at the same time delivering value to our customers.

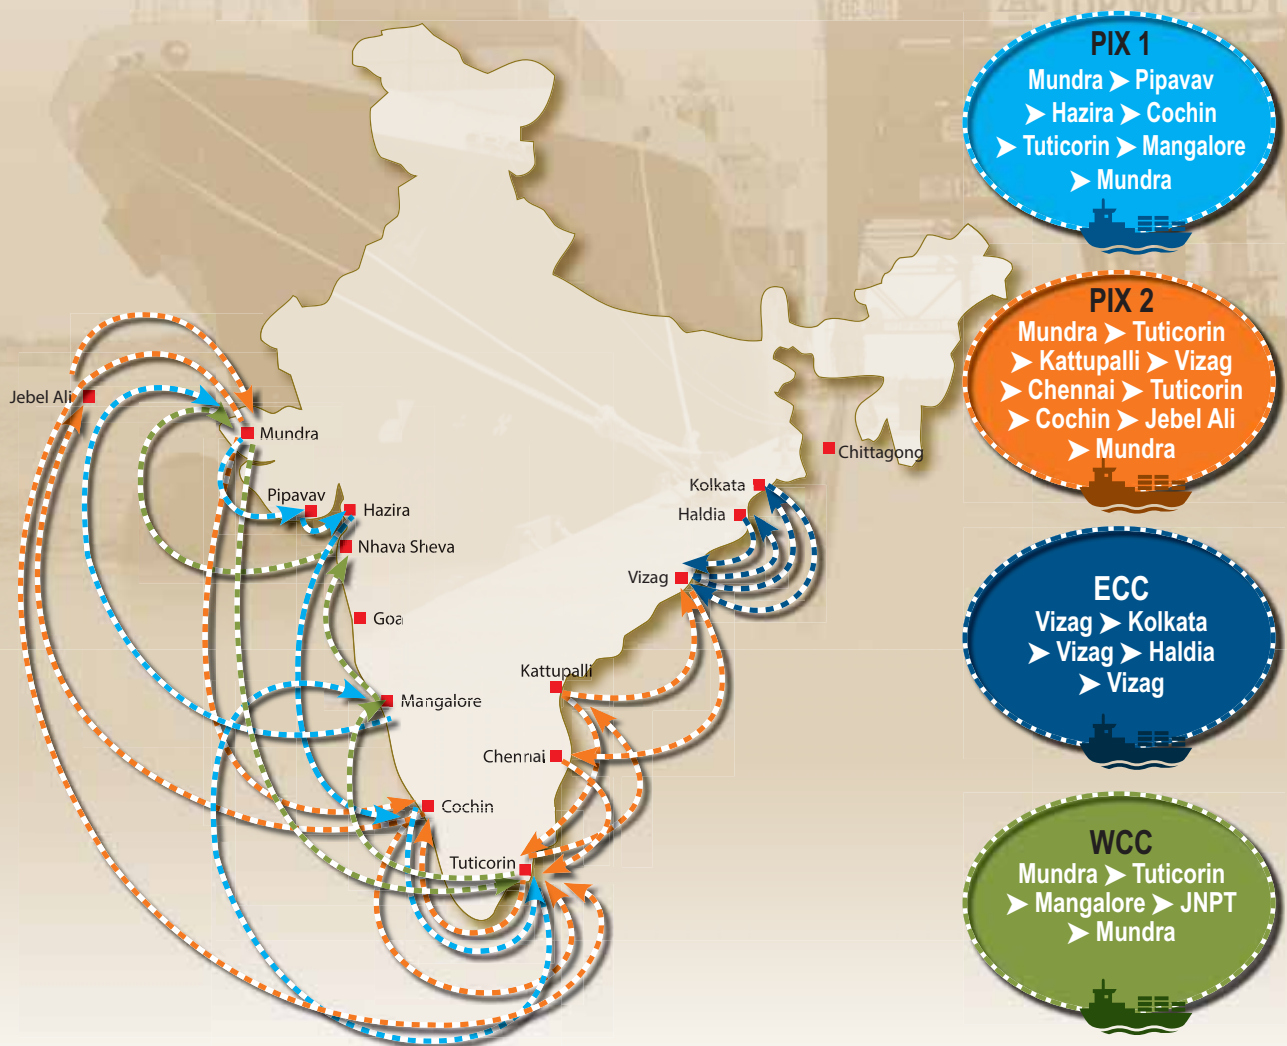

I take this opportunity to thank our shareholders and business partners for the continual trust they have placed in us and their confidence and unflinching belief in our ability to deliver value. I also thank my colleagues on the Board, whose support and leadership has been invaluable. I would also like to recognise the support of our customers, suppliers, all regulatory and statutory authorities, our bankers, auditors, consultants, other business associates and legal advisors/counsels.

Management's Discussion and Analysis

Annexure IV

Industry Structure and Developments

Coastal Shipping

The importance of Coastal Shipping in India has increased manifold in the past few years. India lies in geographical proximity to important shipping routes which gives a natural advantage to the country's shipping. Moreover, shipping is no longer an isolated mode of transport but forms a part of an intermodal transport chain linking other transport modes. Given its inherent advantage of a vast coastline, India can prove to be an effective transshipment hub. In fact, it is now evident that coastal shipping has the potential to drive transshipment at Indian ports which would enhance the price competitiveness of the Indian exports.

In order to give an impetus to the development of coastal shipping in India, the Ministry of Shipping organized the Maritime India Summit, 2016, which was its maiden flagship initiative. This Summit gave an extensive platform to the shipping fraternity to explore business opportunities at large. It is said that a robust maritime sector with strong and efficient port infrastructure can prove to be a strong catalyst of economic growth. The Ministry has therefore also launched the ambitious Sagarmala Project which endeavors to transform the Indian shipping sector. This project includes modernisation of ports and islands, setting up of coastal economic zones, new major ports and fish harbours.

During the year 2015-2016, the container throughput handled at major ports in India was 123 million tonnes which a growth of 3% over the previous fiscal. In fact, these ports cumulatively handled 8.2 million 20 teus units compared with 7.96 million teus. During 2015-16, Mormugao recorded highest growth in traffic 41.2% followed by Chidambaranar (13.7%), Kolkata Dock System (9.2%), Kandla (8.2%), Haldia Dock Complex (8.1%), Paradip (7.6%), Kamarajar (6.5%), Cochin (2.3%) and JNPT (0.4%).

In terms of total tonnage for the current year, major ports saw cargo volumes grow 4.31 % in fiscal 2015-16 to 606.4 million tons from 581.34 million in the previous year. Kandla demonstrated a record-setting annual volume of 100 million tons, followed by Paradip, at 76.4 million tons; JNPT, at 64 million tons; Mumbai, at 61 million tons; Visakhapatnam, at 57 million tons; and Chennai, at 50 million tons, according to the collected data.

Logistics

India has made significant footmark in global economic arena in past decade, our economy is projected to grow to 7.5 per cent by 2020. This projection is mainly based on 'Make in India' initiative to boost manufacturing production and investments in infrastructure and information technology for improving productivity. With focus on boosting production and improving productivity plans, economic pundits and entrepreneurs are optimistic about our future growth prospects.

According to United Nations and MAPI (Manufacturers Alliance for Productivity and Innovation) research, India ranks 9th for world production share (1st China, 2nd USA and 3rd Japan). The 'Make in India' initiative, while boosting India's industrial production, will call for increase in transportation activities. Transportation cost for manufacturing industry is critical, as it is part of the cost of production of the goods. The objective for manufacturers is to bring this cost to minimum so that the economy can derive maximum benefit. Based on 'Logistic Performance Index (4th edition)', released by 'World Bank' indicated that India's ranking has slipped from 39th to 54th rank. This ranking is crucial because Logistics performance and trade facilitation are strongly associated with trade expansion, export diversification, attractiveness to foreign direct investment, and economic growth. With respect to logistics cost (per cent) to GDP, according to World Bank Data, Logistics industry cost contributes to around 9 per cent of the world GDP for developed countries, whereas Indian logistics industry cost contributes to 13 per cent of our GDP.

Most commonly used transportation modes in India are 'Road Logistics' almost 60 per cent (heavily congested) and 'Rail Logistics' almost 33 per cent (full utilized); accounting to over 93 per cent, which are already overburdened and it is unlikely to keep up with the pace of our future growth demands. Presently there are 177 interstate check posts and 268 toll barriers on national highways. In India, a truck can cover only 250-400 km per day compared to 700-800 km in developed countries. According to Planning Commission Report, in a given year, a truck on Indian roads can cover 60K -1 Lacs km, while in the US, a truck can travel up to 4 Lac km a year. Also, World Bank has estimated that trucks delays at checkpoints costs our economy anywhere between INR 900 Cr to INR 2,300 Cr.

Outlook on opportunities

Coastal shipping

India is naturally blessed with a long coastline of over 7,500 kms and home to 14,500 kms of navigable waterways to movement of mechanized vessels. The country has 13 major ports and more than 180 minor ports spread across 9 maritime states which can play a vital role in maritime transport & trade and are the economic drivers for the country and regions.

However, coastal shipping presently accounts for only 7 per cent of overall cargo movement in India. Promotion of coastal shipping is essential due to the potential economic and social benefits it could confer. Hence it is important to address issues such as route development, capacity additions, and incentives by reduction in fuel bill, logistic cost, impact of land congestion & pollution on national economy and the environment. The Ministry of Shipping has taken due cognizance of the same and is intervening to simplify procedures to enable ease of doing business. Numerous initiatives have been declared during the year making Indian coastal shipping quite competitive with other countries.

The Sagarmala project initiated by the Ministry envisages port-led development including development of Special Economic Zones, FTWZs, rail, road, and water connectivity with the hinterland, with linkages to tourism & other related sectors, port-led industrialization, port based urbanization, coastal tourism, coastal shipping, fisheries, recreational activities. In fact, major ports are undertaking studies to deepen the draft to 18 meters to handle large and modern vessels.

Logistics

Growth prospects for the Indian logistics sector looks promising in 2016 with support from numerous Government initiatives in the areas of trade and industry promotion, logistics infrastructure development, and tax reforms. In addition to this, the booming e-commerce sector is likely to support strong growth in the warehousing segment. Dedicated freight corridor, increased port connectivity, and proposed auto hub are likely to increase share of railways in land transport. Despite economic uncertainties, the Indian logistics sector is likely to grow above 6% in 2016.

Government initiatives to promote the manufacturing sector and exports are likely to increase the demand for logistics functions. Trade with Asia, Europe, and North America are likely to remain the major drivers for freight forwarding and transportation companies in the region. Major investments by both the public and private sectors in the last five years

on infrastructure, technology upgrades, and expansion of sea and airport facilities, and a dedicated logistics corridor in the rail network are likely to strengthen the Indian logistics infrastructure. The booming e-commerce market in India is bringing in new opportunities for Logistic Service Provider. The evolving business model(s) in this space focuses on containing logistics and delivery costs.

Outlook on Threats, Risks and Concerns

Shipping

Despite the untiring efforts invested by the Ministry, a lot remains to be done for the Indian coastal shipping. It continues to face hurdles at various stages. A major one being availability of adequate bunkering facilities. Inadequate bunkering infrastructure at most minor/intermediate ports acts as an hindrance to coastal shipping. Another concern is the unavailability of attractive financing options for procurement of coastal vessels. This adds to the operating costs of the Company thereby bringing down the possibility of a level playing field with foreign competitors.

The last mile connectivity in case of coastal shipping is economically viable only if the producers/consumers of the shipped goods are within a distance of around 100 Km from the loading/unloading point at the port side. This last mile connectivity often proves to be a challenge in India driving up the overall cost of transportation via coastal shipping. Availability of dedicated infrastructure will go a long way in promoting coastal shipping as a mode of freight transportation.

Logistics

India continues to have inherent challenges. The basic challenge being poor infrastructure. There is insufficient integration of transport, warehousing and information technology facilities. There is a real dearth of manpower that is skilled that can support this sector as it grows. The GST Bill, though it would make the functioning of the sector smoother, has still not been passed through. Also, there is a shortage of investment in research and development capability. For a sector to innovate and consistently reinvent itself as is necessary for a growing sector, R & D should be an integral part of the endeavor.

The logistics sector, despite its many limitations, is slated for significant growth in 2016 and indeed the coming years. It remains to be seen whether this growth will be structured in a way to ensure sustainability in the sector's operations. For logistics players, exciting times with many changes lie ahead. By positioning themselves well, players can ride the crest of

the wave of changes to grow and become more profitable.

Internal control systems and their adequacy

The philosophy we have with regard to internal control systems and their adequacy has been formulation of effective systems and their strict implementation to ensure that assets and interests of the Company are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data.

The Internal Audit, an independent appraisal function to examine and evaluate the efficiency and effectiveness of the internal control system, appraises periodically about activities and audit findings to the Audit Committee, Statutory auditors and the Top Management.

Internal audit ensures that systems are designed and implemented with adequate internal controls commensurate with the size and operations; transactions are executed and assets are safeguarded and deployed in accordance with the policies, existence of adequacy of internal controls in all existing policies and procedures.

Independent Auditor's Report

To the members of Shreyas Shipping and Logistics Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Shreyas Shipping and Logistics Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those

Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date..

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 34(a) to the financial statements.
 - ii. The company has derivative contracts but no long term contracts. There are no material foreseeable losses for which the company is required to make a provision under applicable law or accounting standards. Refer to Note 2(h) and 32 to the financial statements.
 - iii. There have been no delays in transferring amounts to the Investor Education and Protection Fund by the Company.

Annexure B**Referred to in paragraph 1(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Shreyas Shipping and Logistics Limited ("the Company") as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March 2016

1 Corporate Information

Shreyas Shipping and Logistics Limited (SSLL) is India's first container feeder owning and operating company. SSLL started its operations in 1993 primarily to fill the gap for feeding of containers between Indian ports and internationally renowned Asian transshipment ports. SSLL's shares are listed on both Bombay Stock Exchange and National Stock Exchange. At present, it is a leading player in coastal shipping sector.

2 Summary of significant accounting policies

Basis of Preparation & Use of Estimates

The Financial Statements have been prepared under the historical cost convention on accrual and going concern basis. The Financial Statement have been prepared in accordance with the generally accepted accounting principles in India, to comply with the Accounting Standards specified under section 133 of The Companies Act, 2013 and the relevant provisions of the Companies Act, 2013.

The preparation of financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

a. Fixed Assets - Tangible & Intangible

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use.

Expenses specifically attributable to construction of new built ship including forex loss/gain on forward covers taken for the purpose of payment of installments to the ship-builder are capitalised.

When assets are retired or otherwise disposed off, the cost of such assets and the related accumulated depreciation are removed from the accounts. Any profit or loss on retirement or other disposal is reflected in the statement of Profit and Loss.

b. Dry Dock/Special Survey expenses

Dry Dock/ Special Survey Expenses are normally incurred twice in a period of 5 years. With effect from April,15 this is capitalised as a separate component of ships as required by Note 4(a) & (b) of Schedule II of Companies Act, 2013.

Material procured for dry dock and remaining unutilised, if any, are included in Capital work in Progress.

c. Depreciation Tangible assets

Depreciation for the year has been provided on the basis of useful lives and residual value as prescribed in Schedule II; except in the case of certain assets stated below, where based on past experience and technical justification, the Company has adopted useful lives or residual values other than those prescribed in Schedule II.

Assets	Useful Life	Residual Value
Fleet	As prescribed in Schedule II	Based on steel scrap rates
Dry Dock/Special Survey Expense/ (Component of Fleet)	2.5 Years	Nil
Computers	6 years	Nil
Mobile Handsets	3 years	As prescribed in Schedule II

Depreciation has been provided prospectively, where the cost of depreciable asset has undergone change due to following :

- Increase/decrease in Long term foreign currency liability on account of exchange fluctuations
- Additions and major improvements forming an integral part of an asset.

Assets individually costing Rs 5000 or less are depreciated in full in the year of acquisition.

d. Revenue Recognition

- All Income and expenditure are accounted for, on accrual basis other than interest on overdue bills.
- Operating Earnings represent the value of charter hire and freight earnings. Freight income is recognised based on percentage of completion considering voyage days as the basis.

- iii) Income and Expenses relating to unfinished leg of the voyage as at the date of Balance Sheet are carried forward and included under Current Liabilities and Current Assets respectively. Expenses aggregated under unfinished leg of voyages include fixed and semi-fixed ship operating costs.
- iv) Stores and Spares (other than lube oils and victualling) are charged off to Statement of Profit and Loss, on receipt.
- v) The revenue in respect of the duty free import licenses, under Served From India Scheme, is recognized as income in the books of account when and to the extent there is no significant uncertainty as to their ultimate realization.
- vi) Interest on deposits of surplus funds is recognised on time proportion basis.

e. Investments

Long term Investments are stated at cost. Diminution in the value of investments, other than temporary in nature, is provided for.

Current investments are valued at cost or fair value whichever is lower.

f. Inventories

Inventories are valued at lower of Cost or Net Realisable Value. The cost is determined under "First in First out" formula.

g. Foreign Exchange Transactions

- i) Transactions in foreign currencies are recorded at standard exchange rates prevailing on the date of relevant transactions. The realized exchange gains or losses are recognized in the statement of Profit and Loss.
- ii) The exchange differences arising on reporting of long term foreign currency monetary items (including those arising on settlement), in so far as they relate to acquisition of depreciable capital assets are adjusted to the cost of the capital asset, with effect from 1st April 2007, in terms of Ministry of Corporate affairs Notification dated 31st March, 2009 relating to Accounting Standard 11 'The Effect of Changes in Foreign Exchange Rates'. Applicability of the above notification has been extended upto March 2020.

- iii) Other Monetary Assets and Liabilities denominated in foreign currency are translated at the year end exchange rates. The resultant gain or loss on such translation is recognised in the statement of Profit and Loss
- iv) In respect of forward exchange contracts covering either Company's earnings or payments (other than firm commitments and highly probable forecast transactions), the premium or discount arising at the inception of the contract is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense for the period. In case of a new built ship, in respect of forward exchange contract entered into to hedge the foreign currency risk of a firm commitment or highly probable forecast transaction (not covered by Accounting Standard 11 revised 2003), the company capitalises all the related costs including premium or discount, exchange difference and profit/loss on cancellation of such contracts, if any.

h. Derivatives

Derivatives are accounted as follows based on a limited early adoption of AS-30 to the extent not in conflict with legal provisions and other Accounting Standards:

a) Fair value hedges are marked to market and the notional Loss or Gain is accounted in the statement of Profit and Loss.

b) Cash flow hedges are marked to market and the notional loss or gain is taken to Hedging reserve account.

c) Other derivatives are marked to market and the notional losses or gains are booked in the statement of Profit and Loss.

d) Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

i. Employee Benefits

The Company has a defined Contribution plan for shore employees for provident fund and contributions made to the relevant authorities under this scheme are charged to the statement of Profit and Loss. Company has no other obligation except the monthly contributions.

Company has defined benefit plans for shore employees namely gratuity, leave encashment and compensated absence, the liability for which is provided based on actuarial valuation determined under Projected Unit Credit method. Contributions under gratuity scheme are made to Life Insurance Corporation of India (LIC) in accordance with the terms of the policy taken under their Group Gratuity Scheme.

Actuarial gains / losses comprise experience adjustments and the effect of changes in actuarial assumptions are recognised immediately in statement of Profit and Loss as Income / Expense.

Any other termination benefits are recognised as expenses immediately on the basis of actual expenses.

In respect of Floating staff, Provident fund and Gratuity contributions are made to Seamen's Provident Fund and Seafarers Welfare Fund Society respectively. No Gratuity is payable in respect of officers on board who are on contract with the Company. Company has no further obligation except the monthly contributions.

j. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition / construction of the underlying qualifying fixed assets are capitalised as a part of the respective asset up to the date of acquisition /completion of construction.

Term loan processing charges are accounted over the tenure of loan.

3. SHARE CAPITAL

k. Leases

Assets acquired on lease where a significant portion of the risk and rewards of the ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to revenue.

l. Taxation

The Company has opted for Tonnage Tax and current tax is the aggregate of Tonnage Tax for shipping income and income tax on non-shipping income, if any. In view of Company opting for Tonnage Tax, no provision is made for deferred tax.

m. Asset Impairment

The company reviews the carrying values of tangible and intangible assets for any possible impairment at each Balance Sheet date. Impairment loss, if any, is recognised in the year in which impairment takes place.

n. Provisions and Contingent liabilities

Provisions are recognised when there is a present obligation as a result of past events where it is probable that there will be outflow of resource required to settle the obligation and when a reliable estimate of the amount of the obligation can be made. When any such present obligation can not be measured or where a realistic estimate of the obligation can not be made, contingent liabilities are recognised.

Contingent liabilities are also recognised when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more future events not wholly within the control of the company.

43 Change in Accounting Policy:

- 1) As required by Note 4(a) of Schedule II and the Guidance Note on Accounting for Depreciation in Companies in the Context of Schedule II to the Companies Act, the Company has treated 'Dry Dock and Special Survey expenditure' as a Separate Component of fleet to be depreciated over the useful life as against the practice of charging off to statement of profit and loss on occurrence.

Had the earlier practice been followed:

- Dry Dock expenses would have been higher by Rs 679.94 Lacs
- Depreciation would have been lower by Rs 161.59 Lacs
- Fixed Assets would have been lower by Rs 518.35 Lacs &
- Profit for the year would have been lower by Rs 518.35 Lacs

- 2) The Freight income was earlier recognized on completion of the voyage leg. To fall in line with the requirements of IND-AS, which becomes applicable to this Company with effect from 1st April 2017, the Company has changed its Accounting policy in this regard to recognise revenue based on percentage of completion considering voyage days as the basis. In view of this the Revenue for the year is more by Rs 246.77 Lacs, expenses for the year are more by Rs 117.50 Lacs and Profit for the year is higher by Rs 129.27 Lacs (with consequential effect on unfinished voyage Income & expense in current liabilities & current assets)

Independent Auditor's Report

TO THE MEMBERS OF SHREYAS SHIPPING AND LOGISTICS LIMITED

Report on the Consolidated Financial Statements

1. We have audited the accompanying consolidated financial statements of **Shreyas Shipping and Logistics Limited** (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group"), comprising of the Consolidated Balance Sheet as at 31st March 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as the "Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements of one subsidiary, whose financial statements had total assets of Rs. 5,17,28,831 as at 31st March 2016, total revenue of Rs. 17,96,28,934 and net cash flow amounting to Rs. 21,91,135 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by another auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it

- relates to the aforesaid subsidiary, is based solely on the reports of the other auditor.
- (b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary company, none of the directors of the Group companies, is disqualified as on 31st March 2016 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as reported in Annexure A.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 36 [Contingent Liabilities] to the financial statements
 - ii. The Holding Company has derivative contracts but no long term contracts. There are no material foreseeable losses for which the Holding Company is required to make a provision under applicable law or accounting standards. Refer to Note 2(h) and 33 to the financial statements.
 - iii. There has been no delays in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies.

Annexure A

Referred to in paragraph 1(f) on ‘Report on Other Legal and Regulatory Requirements’ of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shreyas Shipping and Logistics Limited hereinafter (referred to as the “Holding Company”) and its subsidiary companies (the Holding Company and its subsidiaries together referred to as the “Group”), as of 31st March 2016 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness

of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls

over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified as at March 31, 2016:

(a) One of the subsidiaries did not have appropriate internal controls in the area of financial closing process and is in the process of implementing them (as they existed in the old software till 31st December 2015) in the Oracle ERP software to which financial accounting has been moved w.e.f 1st January 2016 and is being handled by an outsourced agency as there are initial glitches in the implementation which are being sorted out.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the effect/possible effects of the material weakness described above in one of the subsidiaries, the Holding Company and its subsidiary companies which are companies incorporated in India, have in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls are operating effectively as at 31st March 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March 2016 consolidated financial statements of the Group, and the material weakness has not affected our opinion on the consolidated financial statements of the Group and we have not issued a qualified opinion on the consolidated financial statements.

CORPORATE INFORMATION

1 Shreyas Shipping and Logistics Limited (SLL) is India's first container feeder owning and operating company. SLL started its operations in 1993 primarily to fill the gap for feeding of containers between Indian ports and internationally renowned Asian transshipment ports. SLL's shares are listed on both Bombay Stock Exchange and National Stock Exchange. At present, it is a leading player in coastal shipping sector. Shreyas Relay Systems Limited (SRL) is wholly owned subsidiary of SLL. SRL specialises in offering seamless, end-to-end, multi-modal transportation solutions incorporating the Road-Rail-Sea-Air routes. SRS Freight Management Limited (SRSFML), formerly known as Haytrans (India) Limited, is a subsidiary of SRL, is in to business of Air & Sea Freight Forwarding and operates under its own CHA (Custom House Agent) license.

2 Summary of significant accounting policies

Basis of Preparation & Use of Estimates

The Financial Statements have been prepared under the historical cost convention on accrual and going concern basis. The Financial Statement have been prepared in accordance with the generally accepted accounting principles in India, to comply with the Accounting Standards specified under section 133 of The Companies Act, 2013 and the relevant provisions of the Companies Act, 2013.

The preparation of financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

a. Fixed Assets - Tangible & Intangible

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use.

Expenses specifically attributable to construction of new built ship including forex loss/gain on forward covers taken for the purpose of payment of installments to the ship-builder are capitalised.

When assets are retired or otherwise disposed off, the cost of such assets and the related accumulated depreciation are removed from the accounts. Any profit or loss on retirement or other disposal is reflected in the statement of Profit and Loss.

b. Dry Dock/Special Survey expenses

Dry Dock/ Special Survey Expenses are normally incurred twice in a period of 5 years. With effect from April, 15 this is capitalised as a separate component of ships as required by Note 4(a) & (b) of Schedule II of Companies Act, 2013.

Material procured for dry dock and remaining unutilised, if any, are included in Capital work in Progress.

c. Depreciation Tangible assets

Depreciation for the year has been provided on the basis of useful lives and residual value as prescribed in Schedule II, except in the case of certain assets stated below, where based on past experience and technical justification, the Company has adopted useful lives or residual values other than those prescribed in Schedule II.

Assets	Useful Life	Residual Value
Fleet	As prescribed in Schedule II	Based on steel scrap rates
Dry Dock/Special Survey Expense/ (Component of Fleets)	2.5 Years	Nil
Computers	6 years	Nil
Mobile Handsets	3 years	As prescribed in Schedule II
Trailers	10 years	As prescribed in Schedule II
Containers	As prescribed in Schedule II	Based on steel scrap rates

Depreciation on leasehold improvements is provided on the basis that the leases would be renewed consistent with past practice.

Depreciation has been provided prospectively, where the cost of depreciable asset has undergone change due to following :

- (a) Increase/decrease in Long term foreign currency liability on account of exchange fluctuations
- (b) Additions and major improvements forming an integral part of an asset

Assets individually costing Rs 5000 or less are depreciated in full in the year of acquisition.

d. Revenue Recognition

- i) All Income and expenditure are accounted for, on accrual basis other than interest on overdue bills.
- ii) Operating Earnings represent the value of charter hire and freight earnings. Freight income is recognised based on percentage of completion considering voyage days as the basis.
Operating Income represents Domestic Service income, (which comprise freight income from coastal shipping and other modes of inland transportation), Trailer Trip Income, Liner Service Income and Rail Income.
- iii) Income and Expenses relating to unfinished leg of the voyage as at the date of Balance Sheet are carried forward and included under Current Liabilities and Current Assets respectively. Expenses aggregated under unfinished leg of voyages include fixed and semi-fixed ship operating costs.
- iv) Stores and Spares (other than lube oils and victualling) are charged off to statement of Profit and Loss, on receipt.
- v) The revenue in respect of the duty free import licenses, under Served From India Scheme, is recognized as income in the books of account when and to the extent there is no significant uncertainty as to their ultimate realization.
- vi) Interest on deposits of surplus funds in recognised on time proportion basis.

e. Investments

Long term Investments are stated at cost. Diminution in the value of investments, other than temporary in nature, is provided for. Current investments are valued at cost or fair value whichever is lower.

f. Inventories

Inventories are valued at lower of Cost or Net Realisable Value. The cost is determined under "First in First out" formula.

g. Foreign Exchange Transactions

- i) Transactions in foreign currencies are recorded at standard exchange rates prevailing on the date of relevant transactions. The realized exchange gains or losses are recognized in the statement of Profit and Loss.
- ii) The exchange differences arising on reporting of long term foreign currency monetary items (including those arising on settlement), in so far as they relate to acquisition of depreciable capital assets are adjusted to the

cost of the capital asset, with effect from 1st April 2007, in terms of Ministry of Corporate affairs Notification dated 31st March, 2009. Applicability of the above notification has since been extended upto March 2020.

- iii) Other Monetary Assets and Liabilities denominated in foreign currency are translated at the year end exchange rates. The resultant gain or loss on such translation is recognised in the statement of Profit and Loss
- vi) In respect of forward exchange contracts covering either Company's earnings or payments (other than firm commitments and highly probable forecast transactions), the premium or discount arising at the inception of the contract is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense for the period. In case of a new built ship, in respect of forward exchange contract entered into to hedge the foreign currency risk of a firm commitment or highly probable forecast transaction (not covered by Accounting Standard 11 revised 2003), the company capitalises all the related costs including premium or discount, exchange difference and profit/loss on cancellation of such contracts, if any.

h. Derivatives

Derivatives are accounted as follows based on a limited early adoption of AS-30 to the extent not in conflict with legal provisions and other Accounting Standards:

- a) Fair value hedges are marked to market and the notional Loss or Gain is accounted in the statement of Profit and Loss.
- b) Cash flow hedges are marked to market and the notional loss or gain is taken to Hedging reserve account.
- c) Other derivatives are marked to market and the notional losses or gains are booked in the statement of Profit and Loss.
- d) Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

i. Employee Benefits

The Group has a defined Contribution plan for shore employees for provident fund and contributions made to the relevant authorities under this scheme are charged to the statement of Profit and Loss. The Group has no other obligation except the monthly contributions.

The Group has defined benefit plans for shore employees namely gratuity and leave encashment and compensated absence, the liability for which is provided based on actuarial valuation determined under Projected Unit Credit method. Contributions under gratuity scheme are made to Life Insurance Corporation of India (LIC) in accordance with the terms of the policy taken under their Group Gratuity Scheme.

Actuarial gains / losses comprise experience adjustments and the effect of changes in actuarial assumptions are recognised immediately in statement of Profit and Loss as Income / Expense.

Any other termination benefits are recognised as expenses immediately on the basis of actual expenses.

In respect of Floating staff, Provident fund and Gratuity contributions are made to Seamens Provident Fund and Seafarers Welfare Fund Society respectively. No Gratuity is payable in respect of officers on board who are on contract with the Company. Company has no further obligation except the monthly contributions.

j. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition / construction of the underlying qualifying fixed assets are capitalised as a part of the respective asset up to the date of acquisition / completion of construction.

Term loan processing charges are accounted over the tenure of loan.

k. Leases

Assets acquired on lease where a significant portion of the risk and rewards of the ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to revenue.

Leases where the risks and rewards of ownership are substantially transferred to the company are classified as Finance Lease.

l. Taxation

The Holding Company has opted for Tonnage Tax and current tax is the aggregate of Tonnage Tax for shipping income and income tax on non-shipping income. In view of Company opting for Tonnage Tax, no provision is made for deferred tax.

In case of subsidiaries, Provision for tax is made as per Income Tax Act, 1961. Deferred tax resulting from difference between book and tax profit is accounted for at the current rate of tax, to the extent the timing differences are expected to crystallize. Deferred tax assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying value at each Balance Sheet date. When there are unabsorbed depreciation and carry forward losses as per Income Tax act, deferred tax assets are recognized only if there exists virtual certainty of their realization.

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Deferred tax liability and deferred tax asset of the companies in the Group have been aggregated in Consolidated financial statement.

m. Asset Impairment

The Group reviews the carrying values of tangible and intangible assets for any possible impairment at each Balance Sheet date. Impairment loss, if any, is recognised in the year in which impairment takes place.

n. Provisions and Contingent liabilities

Provisions are recognised when there is a present obligation as a result of past events where it is probable that there will be outflow of resource to settle the obligation and when a reliable estimate of the amount of the obligation can be made. When any such present obligation can not be measured or where a realistic estimate of the obligation can not be made, contingent liabilities are recognised.

Contingent liabilities are also recognised when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more future events not wholly within the control of the Group.

42 CHANGE IN ACCOUNTING POLICY:

i) As required by Note 4(a) of Schedule II and the Guidance Note on Accounting for Depreciation in Companies in the Context of Schedule II to the Companies Act, the Holding Company has treated 'Dry Dock and Special Survey expenditure' as a Separate Component of fleet to be depreciated over the useful life as against the practice of charging off to statement of profit and loss on occurrence. Had the earlier practices been followed. a) Dry Dock expenses would have been higher by Rs 679.94 Lacs b) Depreciation would have been lower by Rs 161.59 Lacs c) Fixed Assets would have been lower by Rs 518.35 Lacs & d) Profit for the year would have been lower by Rs 518.35 Lacs.

ii) The Freight income was earlier recognized on completion of the voyage leg. To fall in line with the requirements of IND-AS, which becomes applicable to this Company with effect from 1st April 2017, the Holding Company has changed its Accounting policy in this regard to recognise revenue based on percentage of completion considering voyage days as the basis. In view of this the Revenue for the year is more by Rs 246.77 Lacs, expenses for the year are more by Rs 117.50 Lacs and Profit for the year is higher by Rs 129.27 Lacs (with consequential effect on unfinished voyage Income & expense in current liabilities & current assets)

iii) During the year, the Subsidiary company has segregated its billing for domestic services (except end to end logistic services) between sea freight and road transportation income where the services are provided together. As a consequence, the recognition of revenue in such cases has been changed in respect of sea freight, to recognise income once the ship moves out of place of loading as in the case of other sea freight offered as individual service. This used to be recognised till previous year on the completion of entire service i.e. both sea and road legs. However this has no material impact in the consolidated financial statements.
