Social and Environmental Responsibility

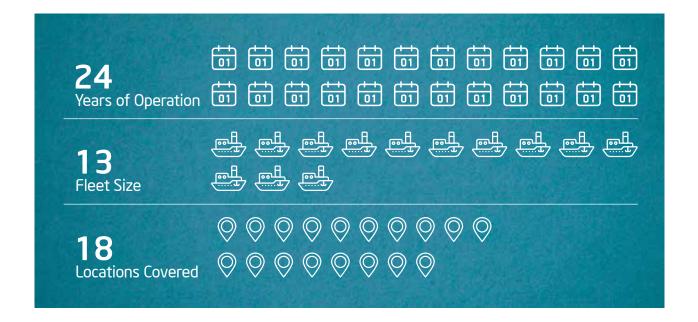

# Leading the way

# With 13 owned vessels, Shreyas Shipping boasts to be the largest coastal container shipping company in India

With more than 2 decades of experience in shipping business, Shreyas has been a pioneer in the coastal shipping business and today dominates the container cargo business with the highest market share.

During 2017-18, Shreyas enhanced its service offering by becoming an early mover and venturing into a new segment for 'Break bulk cargo' shipping. With large aspirational plans, the company plans to continue its dominance and market leadership of the coastal shipping industry in India and offering more economical movement of cargo across the country.

### At the forefront

# Shreyas is the only shipping company providing unmatched PAN India services in coastal container business

The services offered by Shreyas demonstrates its continued efforts to make India a future transhipment hub, and playing a leadership role in making the government's Sagarmala dream come true.

In the financial year 2017-18, the company acquired 4 vessels in one financial year for the first time in its history. With these acquisitions of more vessels of higher capacity, an average fleet age of 17 years, and most ships undergone major dry-docking, the company would enjoy significant economies of scale and reduced cost of operations.

# Transworld Group

# More than four decades of global shipping and logistics services

Mr. R. Sivaswamy established the Transworld Group in 1977. Commencing operations as a shipping agency in Mumbai, the group has now diversified into a multi-faceted shipping and logistics conglomerate. The activities of the group include: Ship Owning (Container & Bulk Carriers), Feedering, NVOCC, Logistics, Freight Forwarding and Supply Chain Management, Ship Management and Shipping Agencies. Headquartered in the Jebel Ali Free Zone (Dubai, UAE), with offices in USA, Saudi Arabia, Oman, Qatar, Kuwait, Sri Lanka, Pakistan and offices in 28 Indian cities combined with strong network partners world over.

The Group's determination to have a global presence is supported by a fundamental philosophy: **to explore and discover new business horizons.** This is the driving force that propels it towards a new tomorrow. Transworld's scale of operations is expanding limitlessly on land and sea.

# Shreyas at a glance

Shreyas Shipping & Logistics Ltd is the Indian flagged vessel owning unit of the parent company Transworld Group. Incorporated in the year 1988, the aim of Shreyas Shipping was to expand into the Indian coastal region. The prime focus of our company is on the coastal shipping business by owning ships and operating them on the Indian coastline.

The company is a pioneer and market leader in domestic coastal container shipping services as well as transhipment services across the Indian Coast. As of today, we own and operate 13 vessels with a total capacity of 23,143 TEUs. We are present across most major ports and Indian container terminals. With more than two decades of experience in this business, we have gained the trust of our clients which is reflected into our high market share in both domestic as well as EXIM transhipment segment. Due to our strong presence and well-built network, Shreyas is a preferred partner of most Main Line Operators for EXIM transhipment services at various Indian ports.

Shreyas Shipping also offers door to door multimodal logistics solutions through its associate company Avana Logistek Ltd (earlier Shreyas Relay Systems Ltd). Avana Logistek covers the entire supply chain and logistics activities of the group. The first mile and the last mile connectivity of the cargo shipped by Shreyas is taken care of by Avana Logistek Ltd.

# The year that was...

Shreyas Shipping acquired 4 vessels in the last financial year, namely SSL Brahmaputra (4,273 TEUs), SSL Ganga (1,541 TEUs), SSL Sabarimalai (1,118 TEUs) and SSL Balaji (671 TEUs). Out of these, two are container vessels and two are multi-purpose vessels. The multipurpose vessels were purchased to support the commencement of our break bulk cargo business. This year also marked the purchase of our biggest vessel in terms of capacity. **We also handled the highest number of containers last year at 448,181.** In our break bulk segment, we handled 107,324 MT of cargo during the last year comprising mainly of steel products of RINL and JSW Steel.

### **Business Mix**

**Domestic:** The domestic business majorly involves movement of domestic cargo between Indian ports. Over the years we have increased our presence across the entire Indian coastline covering most ports and container terminals. Out of the four fixed routes that the company operates, three are domestic routes. We reach out to ports like Mundra, Kandla, Pipavav, Krishnapatnam, Chennai, Paradip, Hazira, Kolkata and many more. About half of the cargo constitutes of heavy construction material like cement, tiles, marbles, etc. and the rest of the cargo comprises of fertilizers, food grains and others.

**EXIM:** Shreyas acts as a feeder operator in the EXIM segment. It is mainly involved in collecting cargo from various ports and container terminals in India and then feeding this cargo at a central location at a port into a larger vessel of a Mail Line Operator. We provide tailor made services and innovative solutions in this segment. Due to the best on-time connectivity in India in this segment, Shreyas commands the highest market share of about 85%. We also offer direct connectivity from East and South Indian ports to middle east/gulf ports.

**Break Bulk**: This is a new segment which we ventured into last year. For this purpose, we acquired two multi-purpose (MPP) vessels, namely SSL Sabarimalai and SSL Balaji. This segment involves movement of non-containerised cargo. We provide end to end logistics for non-containerised cargo.

## Fleet in Action

Name	Capacity (in TEUs)	Year Build	G.R.T
SSL Gujarat	1,613 TEUs	1997	18,602 MT

# **Key Strengths**

- Shreyas owns vessels of different capacities giving them the edge to reach out to ports with different cargo handling capabilities.
- Since Shreyas is in operations for more than 2 decades and has the expertise, the company is the preferred partner for all Main Line Operators like Maersk Line, MSC, Hyundai Shipping, etc.
- Along with containerized cargo, the company also moves non-containerized cargo.
- Few of the vessels which the company own are of larger cargo handling capacity which gives economies of scale leading to a lower cost per TEU.
- Shreyas has the best in class technology leading to customized customer solutions.
- Shreyas holds the highest market share in both domestic as well as EXIM transhipment business.

# Performance highlights 2017-18

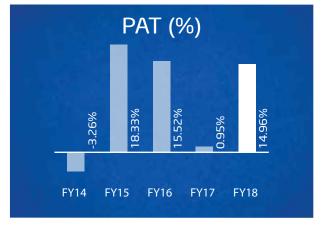

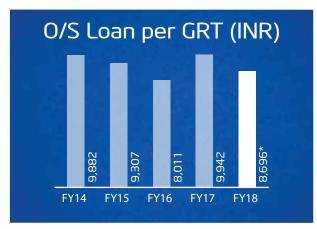

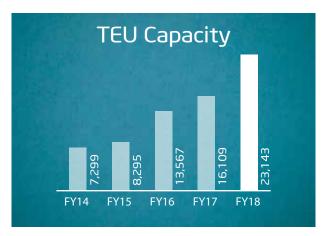

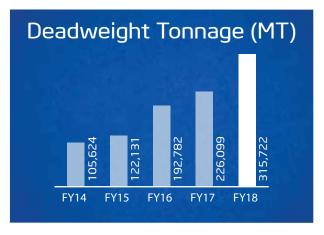

<sup>\*</sup> Figures of FY18 are on Standalone basis

# Chairman's Message

## Dear Shareholders,

It gives me great pleasure in presenting you my thoughts on the 30<sup>th</sup> Annual Report of Shreyas Shipping and Logistics Ltd. Thank you for taking out time to read this report and for your continued support and interest in the company. Last financial year for Shreyas was one of the best performing years in the history of the company while the shipping industry globally continued to face challenging times. I would like to take you through the industry scenario and our performance for the year.

#### **Industry Perspective**

The global economy is expected to continue improved, with global GDP growth projected to pick up from 2.9% in 2017 to around 3.1% in 2018-2020, although it remains susceptible to geo-political and other macroeconomic risks. Meanwhile India continued its outperformance and is soon expected to become fifth largest economy in the world.

The shipping sector has been under pressure for few years now, primarily due to a weak global environment, over capacity, falling freight rates, contraction in imports and exports, etc. The global container shipping saw a turnaround in FY18 as the situation of overcapacity which prevailed in FY17 is solved to a great extent, which was due to higher demand growth of the fleets in FY18. This also resulted in some improvement in the freight rates globally, and the outlook on the freight rates remains stable with a positive sentiment. The global freight transport is expected to grow at a CAGR of 13.35% by 2020 and this can be attributed to increased demand and supply factors associated with industries like manufacturing, FMCG, E-commerce and Retail. As per global container market outlook, the demand is expected to grow by 4.5% to 5% in the calendar year 2018 while supply on the other hand is expected to expand by 5.5% due to reduction in scrapping. During 2017-18, India handled 679.36 MT of traffic across its 12 major ports, registering a growth of 4.93% from previous year. Along with the capacity, the utilisation rate of major ports has also increased. The implementation of GST has eased the movement of cargo across India leading to cost efficiencies.

Shreyas Shipping continues to be the leader and largest player in the domestic container shipping business in

# Our top-line improved by 46% with Total Revenues reported at **INR 541 crore**.

# The EBITDA margins improved to **20.63%** and PAT margins improved to **14.95%**.

India. We closed this year with 13 operating vessels with a total capacity of 23,143 TEUs. Last year was the first time in the history of the company where we bought 4 vessels in a single financial year. During the year, we acquired 2 container vessels, namely SSL Brahmaputra & SSL Ganga and 2 multipurpose vessels, namely SSL Sabarimalai and SSL Balaji. We timed these acquisitions perfectly and bought them at much cheaper rates as compared to the current prices of similar capacity vessels. The container vessels are now deployed successfully on the Indian coastline and are running at optimum utilisation levels. This year we also started with the coastal movement of break bulk cargo where the two multipurpose vessels acquired in this year are being used for.

Year under review

We closed the last financial year with a remarkable financial performance. Our top-line improved by 46% from the previous financial year with Total Revenues reported at INR 541 crore as against INR 370 crore in FY17. The EBITDA margins improved to 20.63% and PAT margins improved to 14.95%. This performance was mainly driven by increase in the tonnage capacity coupled with increase in volumes handled and optimum utilisations. Our disciplined approach to working capital management, allowed us to once again generate significant free cash flows.

This year we announced a digital transformation project called "Innovation in Motion". Here we are looking to leverage technology-enabled solutions and customer connected e-platforms to provide real-time information,

swift business process, and a digital customer interface unlike any other. Additionally, the company will be incorporating new emerging technologies like blockchain, adaptive intelligence, and IoT. These investments in technologies will keep us ahead of the competition and we will bear the fruits of these investments in years to come.

Our unique business model, geographical footprint, dedicated team, and our dominating position in this oligopolistic market has positioned us very well for future growth prospects. Our commitment to excellence in corporate governance and transparent communications with all stakeholders are critical to the long term sustainable growth of the company and our commitment towards the same has been unwavering. We look forward for the company's continued growth on coastal container trade as well as in the break bulk segment. To achieve the required growth, we will be continuously looking at better opportunities to enhance growth in tonnage and increase our presence across newer ports. We are where we are due to the strategic vision and dedication of our team. I would like to take this opportunity to thank them and also all our stakeholders for a fantastic performance and I'm confident we will continue this momentum in years to come.

Best Wishes,

**S. Ramakrishnan** Executive Chairman

### **BOARD OF DIRECTORS**

Name	Position	Education	Experience
Mr. Ramesh S. Ramakrishnan	Executive Chairman	Graduate in Commerce (Mumbai University)	More than 35 years of entrepreneurial experience in ship owning, chartering & ship management

Asha Prakash Company Secretary

#### NOTES:

- 1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS / HER BEHALF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in aggregate not more than ten percent of the total share capital of the Company. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
  - Proxies to be effective must be deposited at the Registered Office of the Company duly completed and signed not less than 48 hours before the time of the Meeting. Proxies submitted on behalf of the companies, societies etc must be accompanied by an appropriate resolution, as applicable.
- 2. Profile of the Director being appointed and retiring by rotation, as required by Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015 ("SEBI Regulations") forms part of the Report on Corporate Governance. The Director has furnished requisite declaration for his re-appointment.
- 3. The Register of Members and Share Transfer Books of the Company will remain closed from 13th July, 2018 to 20th July, 2018 both days inclusive, for the purpose of payment of dividend, if declared at the Annual General Meeting.
- 4. The dividend on equity shares as recommended by the Board of Directors, if declared at the Annual General Meeting, will be paid at par on or after 25th July, 2018 to Members holding shares in physical form and whose names appear on the Company's Register of Members as holders of Equity Shares on 20th July, 2018. In respect of Shares held in electronic form, the dividend will be paid to the beneficial owners of the Shares as at the end of the business hours on 20th July, 2018 as per details furnished by National Securities Depository Limited and Central Depository Services (India) Limited.
- 5. As per the directives of the Securities and Exchange Board of India (SEBI), in respect of the Shareholders holding Shares in electronic form, dividend shall be paid through Electronic Clearing Service (ECS), where such facility is available, directly to their bank account as furnished by their respective Depositories to the Company. Where such facility is not available, the bank details as furnished by their respective Depositories to the Company, will be mandatorily printed on their dividend warrants. Further, instructions if any, given by them in respect of Shares held in physical form will not be automatically applicable to the dividend payable on Shares held in electronic form. Members are, therefore, requested to give instructions regarding the bank accounts in which they wish to receive dividend, directly to their respective Depository Participants. The Company or its Registrar and Share Transfer Agent will not act on any direct request from these Members for change of such bank details.
- 6. Members may note that the Notice of the 30th Annual General Meeting and the Annual Report for the year 2017-18 will also be available on the Company's website www.transworld.com/shreyas. The route map and prominent landmark for the venue of the meeting forms part of the annual report.
- 7. Corporate members intending to send their authorized representatives to attend the Meeting Pursuant to Section 113 of Companies Act, 2013 are requested to send to the Company a certified copy of the Board Resolution authorizing such representative to attend and vote on their behalf at the Meeting.
- 8. Electronic copy of the Notice convening the 30th Annual General Meeting of the Company and the Annual Report along with the process of e-voting and the Attendance Slip and Proxy form is being sent to the members whose e-mail addresses are registered with the Company / Depository Participant(s) unless any member has requested for hard copy of the same. For members who have not registered their email addresses, physical copies of the Notice convening the 30th Annual General Meeting of the Company and the Annual Report along with the process of e-voting and the Attendance Slip and Proxy form is being sent to the members. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communications including Annual Report, Notices, Circulars etc from the Company in electronic mode.
- 9. Voting through electronic means:
  - I. In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015 ('Amended Rules 2015') and Regulation 44 of SEBI Regulations, the Company is pleased to provide its members, facility to exercise their right to vote on resolutions proposed to be considered at the 30th Annual General Meeting (AGM) by electronic means and the businesses may be transacted through e-Voting services. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).

II. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

**Corporate Overview** 

- The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to III. cast their vote again.
- The remote e-voting period commences at 9.00 am on 16th July, 2018 and ends at 05.00 p.m on 19th July, 2018. The remote e-voting module shall be disabled by NSDL for voting thereafter. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 13th July, 2018, may cast their vote electronically. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
- The voting rights of a shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 13th July, 2018.
- Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 13th July, 2018, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA.
- Mr. Dharmesh Zaveri, Company Secretary in Practice (Membership No. 5418) Proprietor of D. M. Zaveri & Co, Company Secretaries, has been appointed for as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- VIII. The Scrutinizer shall within a period of not exceeding two (2) working days from the conclusion of the e-voting make a Scrutinizer's Report of the votes cast in favour of or against, if any, forthwith addressed to the Chairman of the Company. The result will be declared by the Chairman or by a person duly authorised.
- The Results declared alongwith the Scrutinizer's Report shall be placed on the Company's website www.transworld.com/shreyas IX. and shall be communicated to the Stock Exchange.
- Χ. The process and manner to vote electronically on NSDL e-voting system a consist of Two steps as mentioned below:
  - Step 1: Log-in to NSDL e-Voting system at https://www.evoting.nsdl.com/
  - Step 2: Cast your vote electronically on NSDL e-Voting system.

#### Details on Step 1 is mentioned below:

#### How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile.
- 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
- 3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at https://eservices.nsdl.com/ with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
- 4. Your User ID details are given below:

1	ner of holding shares i.e. Demat (NSDL or CDSL) hysical	Your User ID is:
a)	For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12****** then your user ID is IN300***12******.
b)	For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12************ then your user ID is 12************************************
c) Fo	r Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- 5 Your password details are given below:
  - If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
  - If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was b) communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
  - How to retrieve your 'initial password'?
    - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
    - If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - Click on "Forgot User Details/Password?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
  - b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl. com.
  - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN,your name and your registered address.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

#### Details on Step 2 is given below:

#### How to cast your vote electronically on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
- 2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
- 3. Select "EVEN" of company for which you wish to cast your vote.
- 4. Now you are ready for e-Voting as the Voting page opens.
- 5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 6. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

#### General Guidelines for shareholders

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/IPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to dmz@dmzaveri.com with a copy marked to evoting@nsdl.co.in.
- It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.

- In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in
- 10. Members are requested to:
  - (a) Notify any change in their address to the Registrar and Share Transfer Agent, M/s. Link Intime Private Limited; C-101, 247 Park, LBS Marg, Vikhroli (West), Mumbai 400083 in case of Members holding shares in physical form and update such details with their respective Depository Participants, in case of Members holding shares in electronic form.
  - (b) Bring their attendance slip along with their copy of Annual Report to the Meeting. In case of Joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
  - (c) Write their folio number (in case shares are held in physical form) or DP ID and Client ID (in case shares are held in dematerialized form) in their attendance slip and hand it over at the entrance of the meeting hall.
- 11. In terms of the provisions of Sections 124 and 125 of the Companies Act 2013, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the unpaid dividend account, is required to be transferred to the Investor Education and Protection Fund established by the Central Government (hereinafter referred to as the 'said Fund'). Accordingly, unclaimed / unpaid dividend for the financial years ended 31st March, 1996 and 31st March, 1997 and period ended 30th September, 1998, year ended 31st March, 1999, 31st March, 2001, 31st March, 2002, 31st March, 2004, 31st March, 2005(Interim & Final) and 2005-06 (Interim & Final) and 31st March, 2007 (interim), 31st March, 2008, 31st March 2011 (interim) has been transferred to the said Fund.

The Members, who have not yet encashed the dividend warrants for the financial year ended 31st March 2012 are requested to send claims to the Company, if any, before the respective amounts become due for transfer to the said Fund. **No claim shall lie against the Company or the said Fund after transfer as mentioned above.** 

Shares due to transfer to IEPF: Equity shares in respect to which dividend has not been encashed for seven consecutive years or more will be required to transfer to Investors Education & Protection Fund (IEPF) pursuant to section 124(6) of the Companies Act 2013. Relevant details in this respect are posted on the Company's website www. www.transworld.com/shreyas in investors section.

The Company sends communication in this respect to concerned shareholders from time to time as may be necessary. Shareholders are requested to Contact Company or RTA to encash the unclaimed dividend and in case any pending legal disputes, provide certified copy of order from Court / Authority restraining transfer, payment of dividend etc

- 12. All documents referred to in the above Notice are open for inspection at the Registered Office of the Company on all working days (except Saturdays, Sundays and holidays) between 10.00 a.m. and 12.30 p.m. up to the date of the Annual General Meeting.
- 13. Members holding shares under multiple folios in the identical order of names are requested to consolidate their holdings into one folio.
- 14. Members desirous of getting any information about the Accounts and / or Operations of the Company are requested to address their queries to the Company Secretary at least seven days in advance of the Meeting so that the information required can be made readily available at the Meeting.

Place: Mumbai

Date: 25th May, 2018

By Order of the Board of Directors

#### **Registered Office:**

4th Floor, Himalayas, Geetmala Complex Near Shah Industrial Estate, Govandi East, Mumbai 400 088 Email: investorrelations.ssll@transworld.com CIN:1 63000MH1 988PI C048500 Asha Prakash Company Secretary

# **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

#### Item No. 8

Mr. Daniel Trevelyn Joseph is an Independent Director of the Company. He joined the Board in September, 2007.

Mr. D.T. Joseph is IAS (Retd) by profession. He took over as Secretary in the Ministry of Shipping in the year 2003 and retired in 2005. Earlier, he was Secretary (Co-ordination) in the Cabinet Secretariat. As Secretary Shipping, he helped in getting the tonnage tax option implemented for shipowners. He also served as Director General of Shipping where he streamlined chartering guidelines for ships in March 2000 and simplified Articles of Agreement for sailors. He was instrumental in the liberalization of maritime training and education, setting up standards for private institutions and building maritime constituencies. He played an important role in preparation of the comprehensive draft Maritime Policy, and also the National Maritime Development Programme.

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of the Company.

Mr. Joseph's term expires on 31st March 2019. In terms of section 149 and other applicable provisions of the Companies Act, 2013, Mr. Joseph becomes eligible and offering himself for reappointment is proposed to be reappointed as an independent Director for another term of upto five consecutive years upto 31st March, 2024.

In the opinion of the Board, Mr. Joseph fulfills the conditions specified in the Companies Act, 2013 and Rules made thereunder for his appointment as an Independent Director of the Company and is independent of the Management. Accordingly, the Board recommends the resolution in relation to the appointment of Mr. Joseph as an Independent Director for the approval of the Shareholders.

Except Mr. Joseph, being the appointee, none of the Directors and Key Managerial Personnel of Company and their relatives is concerned or interested in the Resolution. Details of Board and Committee memberships of Mr. Joseph as required under LODR have been specified in the table below.

#### Item No. 9

Mr. Mannil Venugopalan is a Non Executive Independent Director of the Company. He joined the Board in August, 2010.

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

Mr. Mannil Venugopalan is the former Managing Director and Chief Executive Officer of the Federal Bank (May 2005 till July, 2010). He was also the Chairman & Managing Director of Bank of India since August, 2003 till April, 2005. He started his career as a Probationary Officer with Bank of India in 1966 and within a stint for 3 years in between with Union Bank of India as Executive Director rose to the position of the Chairman and Managing Director of Bank of India. His tenure at Federal Bank for half decade is memorable for the transformational initiatives that he launched in the Bank and today it is one of the best banks in the country in efficiency parameters and in coping with the inevitable process of adapting to the rapidly changing business environment.

Mr. Venugopalan's term expires on 31st March 2019. In terms of section 149 and other applicable provisions of the Companies Act, 2013, Mr. Venugopalan becomes eligible and offering himself for reappointment is proposed to be reappointed as an Independent Director for five consecutive years for a term upto 31st March, 2024.

In the opinion of the Board, Mr. Venugopalan fulfills the conditions specified in the Companies Act, 2013 and Rules made thereunder for his appointment as an Independent Director of the Company and is independent of the Management. Accordingly, the Board recommends the resolution in relation to the appointment of Mr. Venugopalan as an Independent Director for the approval of the Shareholders.

Except Mr. Venugopalan, being the appointee, none of the Directors and Key Managerial Personnel of Company and their relatives is concerned or interested in the Resolution. Details of Board and Committee memberships of Mr. Venugopalan as required under LODR have been specified in the table below.

#### Item No. 10

Capt. Manmohan Saggi joined the Board on 7th May, 2014. Capt. Manmohan Saggi is a Master (FG) and holds highest maritime qualification as an Extra Master. He is also an M.B.A. He has 40 years experience in maritime sector. He retired as Nautical Advisor to Government of India, Chief Examiner of Masters and Mates and Additional Director General of Shipping (Technical) in November 2012. He is an ex trustee of JNPT, Mumbai and Kandla port. He was also the Chairman of Navigational Safety in Ports Committee (NSPC) responsible for approval of Navigational Safety of Non-major Ports.

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

His areas of expertise include maritime training, registration, survey and certification, port and flag state control, casualty investigation, oil pollution response, antipiracy measures, salvage and wreck removal etc. He led the Indian Delegation to Maritime Safety Committee of International Maritime Organisation on numerous occasions. Since February 2013, he is functioning as the Director of prestigious Narottam Morarjee Institute of Shipping established in 1969, which enrolls about 700 students annually from all over the country for Post Graduate Diploma and Fellowship in commercial shipping. At present, he is also consulting on Maritime reforms undertaken by Govt. of Zanzibar, Republic of Tanzania.

Capt. Manmohan Saggi's term expires on 31st March 2019. In terms of section 149 and other applicable provisions of the Companies Act, 2013, Capt. Manmohan Saggi becomes eligible and offering himself for reappointment is proposed to be reappointed as an Independent Director for five consecutive years for a term upto 31st March, 2024.

In the opinion of the Board, Capt. Manmohan Saggi fulfills the conditions specified in the Companies Act, 2013 and Rules made thereunder for his appointment as an Independent Director of the Company and is independent of the Management. Accordingly, the Board recommends the resolution in relation to the appointment of Capt. Manmohan Saggi as an Independent Director for the approval of the Shareholders.

Except Capt. Manmohan Saggi, being the appointee, none of the Directors and Key Managerial Personnel of Company and their relatives is concerned or interested in the Resolution. Details of Board and Committee memberships of Capt. Manmohan Saggi as required under LODR have been specified in the table below.

#### Item No. 11

### **DIVIDEND**

Your Company proposes a Dividend of 15% (₹ 1.50/-) for the year 2017-2018 subject to approval of shareholders at the ensuing Annual General Meeting of the company to be held on 20th July 2018. The dividend will be paid to the Members whose name appear in the Register of Members as on 20th July, 2018 and in respect of shares held in dematerialized form, it will be paid to members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited, as beneficial owners as on that date.

## **REVIEW OF OPERATIONS**

The year 2017-2018 continued to be a challenging year with ocean freights under pressure supplemented with increase in fuel prices. The HRCI ended the first quarter of year 2018 up 19.5% from the start of the year and 19.7% higher than late March 2017.

Whilst the HRCl has been moving upward to reach 750 points by end March 2018, the SCFI (Shanghai containerized freight Index) has reduced by 20% since the start of the year and current level is at par with mid-2016.

With a view to cater the enhanced trade on the east coast of India, and in view of the increased utilization of our asset, your Company acquired four vessels, out of which 2 MPP vessel namely SSL SABARIMALAI (1118 teus) at USD 4.4 million and SSL BALAJI (671 Teus) at USD 3.4 million were acquired, while the remaining two vessels namely SSL BRAHMAPUTRA (4273 teus) at USD 8 Million and SSL GANGA (1541 Teus) at USD 3.625 Million were also acquired. The Company also sold SSL SAGARMALA which was due for special survey and dry docking.

Besides handling containerised cargo, SSLL commenced handling coastal break bulk cargo in the 2nd half of year 2017 and handled

107,324 MT cargo during the year, mainly steel products of RINL and ISW, besides some project cargo. RINL commenced coastal movement of steel products for the first time venturing into modal shift from land to sea mode.

Resultantly the Company's current fleet stands at 13 vessels, with a total capacity 23143 Teus, 315722 DWT, being India's largest container tonnage owning company. The current container ship tonnages are right sized and priced to suit the coastal trade. In addition, the Company's services are well planned to provide complete coastal coverage and thus well suited for the trade.

For the year ended 31st March, 2018, your Company posted a Total Income of ₹ 544.18 crores with a Net Profit of ₹ 80.91 crores.

### **STATUTORY AUDITORS**

M/s Deloitte Haskins and Sells LLP (Firm Membership No. 117366W/ W100018) Chartered Accountants, were appointed as Statutory Auditors of your Company for a term of 5 years from the conclusion of 29th Annual General Meeting till the conclusion of 34th Annual General Meeting subject to the ratification of Members at each Annual General Meeting.

A written consent from them has been received along with a certificate that their appointment if made, shall be in accordance with the prescribed conditions and the said Auditor satisfy the criteria provided in Section 141 of the Companies Act.

The resolution seeking ratification of their appointment has been included in the Notice of Annual General Meeting.

## MATERIAL CHANGES AND COMMITMENT AFFECTING FINANCIAL POSITION OF THE COMPANY

During the current year, Company acquired four vessels, thereby adding 7603 TEUs capacity and also sold one of its old vessel in the fleet. This will have positive impact on the future performance of the Company whereby the operating income would increase and with fuel efficient fleet, the operating expenses are expected to be controlled.

# SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s D. M. Zaveri & Co. a firm of Company Secretaries in Practice to undertake the Secretarial Audit of the Company. The Report of the Secretarial Audit Report is annexed herewith as **Annexure 1.** The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

### RELATED PARTY TRANSACTIONS

During the period under review, all transactions entered into by the Company with the Related Parties were at arm's length and in the ordinary course of business as required under section 188 of the Companies Act, 2013. There was no material transaction with any Related Party. The Company has entered into transactions with related parties as entered in Form No. AOC-2 annexed to this report as **Annexure 2.** All the Related Party Transactions have a prior approval of the Audit Committee.

### CORPORATE SOCIAL RESPONSIBILITY

In compliance with Section 135 of the Companies Act, 2013 and Rules read thereunder, the Company has formed a Committee for Corporate Social Responsibility (CSR). The members of the Committee met twice during the year. The Company is looking to address the lack of quality education and empowerment opportunities among the lesser privileged children through holistically designed programs under its CSR initiative. During the year, the company has spent ₹ 20 lacs on this initiative. A detailed report forms part of this Report as Annexure 3.

### **EXTRACT OF ANNUAL RETURN**

Pursuant to section 134(3)(a) and Section 92(3) of Companies Act, 2013 read with relevant Rules framed thereunder, the extract of Annual Return as on 31st March, 2018 forms part of this Report as Annexure 4.

## **MANAGEMENT DISCUSSION AND ANALYSIS**

A detailed review of the operations, performance and future outlook of the Company and its business is given in the Management Discussion and Analysis appearing as **Annexure 5** to this Report.

### REPORT ON CORPORATE GOVERNANCE

As required by Regulation 34(3) of the Listing agreement entered into with the Stock Exchanges, a detailed Report on Corporate Governance is given as **Annexure 6** to this Report alongwith the Auditors' Certificate on its compliance by the Company and applicable certification of the Chief Executive Officer and Chief Financial Officer and Declaration by the Managing Director affirming compliance with Code of Conduct for the year under review

## **LOANS, GUARANTEE AND INVESTMENTS**

Details of Loans, Guarantees and Investments are given in the Notes to Financial Statements

## **TRANSFER TO RESERVES**

For the financial year ended 31st March, 2018, your Company has not transferred any amount to Reserves.

### INVESTOR EDUCATION AND PROTECTION FUND

In accordance with provisions of the Companies Act, 2013, an amount of ₹ 1,95,766 being unclaimed dividend (interim) for the year ended 31st March 2011 was transferred during the year to the Investor Education and Protection Fund established by the Central Government.

## SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE **REGULATORS OR OTHERS**

There are no significant and material orders passed by the regulators or others.

### **DIRECTORS AND KEY MANAGERIAL PERSONNEL**

As on 31st March, 2018, the Company has 11 Directors consisting of 4 Non- Independent Directors (including 2 Whole Time Directors) and 7 Independent Directors.

Mr. Ritesh S. Ramakrishnan was re-appointed as the Director of the company, as approved by the members at the last Annual General Meeting held on July 21, 2017

In accordance with the provisions of 152 (6) of Act and the Article of Association of the Company, Mr. L B Culas is proposed to retire by rotation at the ensuing Annual General Meeting (AGM) and being eligible for reappointment. The Board recommends his reappointment.

Capt. V. K. Singh was appointed as the Whole Time Director of the company, as approved by the members at the last Annual General Meeting held on July 21, 2017

During the year, Mr. V. Ramnarayan has tendered his resignation from the Board of Directors of the Company with effect from 29th March, 2018. The Board of Directors place on record their appreciation for the contribution by Mr. V. Ramnarayan during his tenure as Director Mr. V. Ramnarayan being a promoter, continues to hold 1,09,375 equity shares (0.50%) in the Company.

Mr. Deepak Shetty was appointed by the Board of Directors at its meeting held on 13th February,2018 as an Additional Director (Non-Executive Independent Director) with effect from 13th February,2018. He shall hold office till the conclusion of the Annual General Meeting.

All the Independent Directors have affirmed their Independence under Section 149 of the Companies Act, 2013 and provisions of Regulation 25 of SEBI (LODR) Regulations, 2015. The Company has obtained requisite declaration to that effect from the said Directors.

Your Company has devised a Policy for determining qualifications, positive attributes of Directors, performance evaluation of Independent Directors, Board, Committees and other individual Directors which include criteria for performance evaluation of the non-executive directors and executive directors.

In accordance with the provisions of Companies Act, 2013 and Regulation 17(10) of SEBI(LODR) Regulations, 2015, the evaluation process for the performance of the Board, its Committees and individual Directors was carried out internally.

The Independent Directors met on 26th March, 2018 to review performance evaluation of the Non Independent Directors and the entire Board of Directors including the Chairman and Managing Director and Executive Director. The Independent Directors were satisfied with the functioning of the Board and Committees. The Independent Directors appreciated the leadership role of the Chairman and Managing Director in upholding the Group values and Corporate Governance standards.

The results of the review by the Independent Directors was shared with the Board of Directors. The Board of Directors have expressed their satisfaction with the evaluation results.

During the year under review, the Company has designated the following persons as Key Managerial Personnel:

Sr. No.	Name	Designation
1	Mr. S. Ramakrishnan	Chairman & Managing Director
2	Mr. V. Ramnarayan	Executive Director
3	Capt. Vivek Kumar Singh	Chief Executive Officer
4	Mr. Rajesh Desai	Chief Financial Officer
5	Ms. Namrata Malushte	Company Secretary

\*Mr. V Ramnarayan resigned w.e.f. 29th March 2018

\*Ms. Namrata Malushte resigned on 07th May 2018 while Ms. Asha Prakash was appointed as the Company Secretary w.e.f. 07th May 2018

### **BOARD MEETINGS**

During the year 2017-18, the Board met five times. Detailed information is provided in the Report on Corporate Governance, which forms part of this Annual Report.

### **RISK MANAGEMENT**

Your Company has a Risk Management Policy in place wherein all associated business risks are factored, identified and assessed. In accordance with the provisions of Regulation 21 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company has a Committee for periodically evaluating the various risks. The Company has introduced several improvements to drive a common integrated view of risks, optimal risk mitigation responses and efficient management of internal control and assurance activities.

### **VIGIL MECHANISM**

In line with Regulation 22 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 of the Listing Agreement, the Company has adopted a Whistle Blower Policy. The mechanism encourages the Whistle Blower to report genuine concerns or grievances. It also provides adequate safeguard to the Whistle Blower against victimization. The functioning of the Audit Committee is reviewed by the Audit Committee and the Whistle Blower has direct access to the Chairman of the Audit Committee. The Policy on whistle blower may be accessed on the Company's website www.transworld. com/shreyas.

### **POLICY ON SEXUAL HARRASMENT**

Your Company has adopted Charter Under The Sexual Harrasment of Women at Workplace (Prevention, Prohibition And Redressal) Act, 2013. During the year ended 31st March, 2018, the Company has not received any complaints pertaining to Sexual Harassment.

### **OUALITY**

Quality, integrity and safety have been core to the Company. We firmly believe that the pursuit of excellence is one of the most critical components for success in the competitive market and therefore, consistently strive to adhere to the highest quality standards. During the year, the Company has shifted its accreditation agency to Indian Register of Shipping (IRS). The Standard ISO 9001:2008 is valid upto 14th September 2018.

### **FIXED DEPOSITS:**

The Company has not accepted fixed deposits from the public during the year under review.

## **SUBSIDIARY COMPANY:**

As on 31st March, 2018, the Company has no subsidiary.

### **CONSOLIDATED ACCOUNTS**

The Consolidated Financial Statements are prepared in accordance with the relevant Accounting Standards issued by the Institute of Chartered Accountants of India and forms part of this Annual Report. Form AOC-1 in this regard forms part of this Annual Report.

### DIRECTORS' RESPONSIBILITY STATEMENT:

In terms of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013, the Directors hereby state that:

- (a) In the preparation of the annual accounts for the year ended 31st March, 2018, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) Appropriate accounting policies were selected and applied consistently. The Directors made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- (c) Proper and sufficient care was taken for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) The annual accounts are prepared on a going concern basis;
   and
- (e) Internal financial controls are laid down and followed by the company and that such internal financial controls are adequate and were operating effectively.
- (f) Proper systems are devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

# CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

Under the Notification No.GSR 1029, dated 31st December, 1988, companies are required to furnish prescribed information regarding conservation of energy and technology absorption. This, however, does not apply to your Company, as the shipping industry is not included in the Schedule to the relevant rules.

With regard to foreign exchange earnings and outgo for the current year 2017-18, the position is as under:

		(₹in lacs)
(i)	Foreign exchange earnings including proceeds on sale of ship (on accrual basis)	19,874
(ii)	Foreign exchange outgo including operating components, spare parts, vessel funding and other expenditure in foreign currency (on accrual basis)	19,538

### **ACKNOWLEDGEMENTS**

Your Directors thank the Company's clients, vendors, charterers, business associates, main line operators, investors, shareholders and

bankers for their continued support during the year. It will be your Company's endeavor to build and nurture strong links with them based on mutuality, respect and co-operation with each other. Your Directors take this opportunity to thank all employees for their hard work, dedication and commitment. The enthusiasm and unstinting efforts of the employees have enabled the Company to remain at the forefront of the industry despite increased competition from several existing and new players.

Your Directors place on record their appreciation for the support and continued co-operation that the Company received from the Government of India, the Ministry of Shipping, the Ministry of Finance, the Ministry of Corporate Affairs, the Directorate General of Shipping, the Mercantile Marine Department, the Stock Exchanges, the Reserve Bank of India, the Central Board of Excise and Customs, and other Government agencies. Your Directors also express their sincere thanks to the Indian National Shipowners Association, Port authorities, Insurance companies, Protection and Indemnity clubs for their continued support during the year.

For and on behalf of the Board of Directors

# SECRETARIAL AUDIT REPORT

## Form No. MR-3

For the Financial year ended 31st March, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Shreyas Shipping and Logistics Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shreyas Shipping and Logistics Limited (hereinafter called 'the Company'). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Shreyas Shipping and Logistics Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended on 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st, March, 2018, according to the provisions of:

- The Companies Act, 2013(the Act) and the rules made thereunder:
- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and (ii) the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and the Byelaws framed thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('The SEBI'):-
  - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- The Securities and Exchange Board of India (Issue of (c) Capital and Disclosure Requirements) Regulations, 2009:
- The Securities and Exchange Board of India (Share Based (d) Employee Benefits) Regulations, 2014;(Not relevant / applicable, since there are no share based benefits to employees during the year)
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not relevant / applicable, since there is no issue of debt securities during the year)
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with
- The Securities and Exchange Board of India (Delisting of (g) Equity Shares) Regulations, 2009;

## (Not relevant / applicable, since there is no delisting of equity shares during the year)

The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

## (Not relevant / applicable, since there is no buyback of equity shares during the year)

- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations,
- The following laws are applicable to the Company in addition to (vi) laws mentioned above
  - Merchant Shipping Act, 1958 and Rules made (a) thereunder:
  - Safety of Life Sea Convention (1974) including its (b) amendments:
  - Seamen's Provident Fund Act, 1966.

I have also examined compliance with the applicable clauses to the following:

Secretarial Standards issued by The Institute of (i) Company Secretaries of India and approved

by the Government of India, as applicable under the Companies Act 2013;

(ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited in accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015;

During the period under review the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. The Company has complied with the provisions of Section 135 of the Companies Act, 2013 pertaining to Corporate Social Responsibility **except Section 135(5).** The Company has informed that the unspent amount of CSR during the year under report has been apportioned and is intended to be utilized in a phased manner in future upon identification of suitable projects within the Company's CSR Policy.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive, Non – Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meeting, agenda and detailed notes on agenda were sent at least seven days in advance or in compliance of the Act, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the period under review the Members have approved vide Ordinary resolution a Related Party transaction to enter into an agreement for ocean freight charges amounting to ₹ 500 crores (Rupees Five Hundred Crore ) on such terms and conditions as may be mutually agreed between the Company and Shreyas Relay Systems Limited being a Related Party under section 2(76) of the Companies Act, 2013 through Postal Ballot Notice dated 12th April 2017.

# ANNUAL REPORT ON CSR ACTIVITIES

Brief Outline on Company's CSR policy including overview of projects or programs proposed to be undertaken and a reference to the weblink to the CSR policy and projects or programs:

Corporate Social Responsibility Policy (hereinafter referred to as 'CSR Policy') shall help Shreyas Shipping and Logistics Limited (hereinafter referred to as 'Shreyas') to pave its path towards the betterment of certain sections of the society by using its resources in the best possible manner.

The CSR Policy of the Company shall specify that the surplus arising out of the CSR projects or programmes or activities shall not form part of the business profit of a company.

### Purpose:

Shreyas realises its responsibility towards the society at large. Shreyas recognises that Corporates are economic organs of society and therefore believes in making a positive difference to the society by trying to build a better tomorrow.

Shreyas intends to address the lack of quality education and empowerment opportunities among lesser privileges children and youth through holistically designed programs under the CSR initiative.

Therefore Shreyas has adopted 'English Intervention Program' which is an in-school supplemental learning program for students all classes on the Spoken and Written English Skills. The aim of this program is to help students from low income schools in the vicinity through extensive exposure to reading, vocabulary building, listening and speaking.

Shreyas Shipping has initiated this Project in 2016-17. Total number of 1496 students were covered in the first year of program and it was decided for continuation of support in 2017-18.

In Academic year 2017-18 two more school were added which are Awami Girls High School and Shishu Vikas Mandir, Mumbai. The total reach of this program was 2442 students including all four schools.

Activities covered under 'English Intervention Program' in 2017-18:-

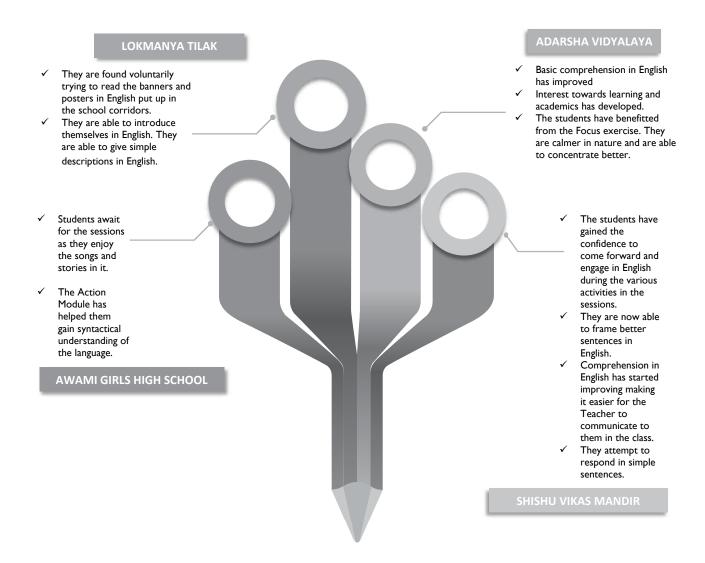

- Continuation of English Intervention Program at Adarsha Vidyalaya & Lokmanya Tilak High School
- Covered additional 391 students of Awami Girls High School and 555 students of Shishu Vikas Mandir, Mumbai
- Total 2442 students were covered under this program.
- Team of Shreyas Shipping visited all the schools to monitor the progress on program implementation and collected feedback from school administration.

### **LEARNING INDICATORS:**

Dimension	Goal
Behavioural	Students will recognise the value of English language learning, and form a bond with the language.
Language Skills, Knowledge and Strategies	Students will recognise the syntax of English, and apply it with increasing levels of accuracy to specific communication needs. They will apply language skills and strategies in functional contexts, and in the subjects offered to them for their overall personal and academic development.

### COMMON IMPACT OF THE PROGRAMME:

- The Programme supports children from low-income families.
- It offers them sufficient exposure to the English language and enables them to internalise the language from the environment created in the classrooms.
- Students have embraced the English language and are more comfortable with its usage around them.
- There is a new-found interest in the English language.
- They are now able to associate English with fun and are therefore grasping the language faster.
- From usage of words like "bow" to various concepts of conventional grammar (like prepositions, singular plural etc) have become a part of the students day to day conversations.
- The learning from the English Intervention Programme are being used by students during the regular academics as well.
   The teachers have shared some examples regarding the same during our periodic interactions.
- Activities like Focus, conducted in each session have enabled the students to become calmer beings as compared to children coming from similar backgrounds who tend to be hyper and distracted.
- The students eagerly wait for the English Intervention sessions!

# THE IMPACT

## Composition of CSR Committee:

Name	Designation	Position
Mr. Ritesh S. Ramakrishnan	Non Executive Director	Chairman
Mr. V. Ramnarayan	Executive Director	Member
Ms. Maya S. Sinha	Independent Director	Member
Ms. Namrata Malushte	Company Secretary	Secretary

## Average Net Profits of the Company for last three financial years : ₹ 3,005.95 Lacs

### Prescribed CSR Expenditure:

Particulars	Amount
2 percent of the amount of the average net profits for the last three financial years	₹ 60.12 Lacs
Amount unspent last year	₹ 40.12 Lacs
Total amount apportioned for CSR	₹ 60.12 Lacs

## Details of CSR spent during the financial year

Total amount to be spent for the financial year: ₹ 60.12 Lacs

ii. Amount Unspent: ₹ 40.12 Lacs

iii. Manner in which the amount spent during the financial year is detailed below

Reasons for not spending the full amount:

The total CSR amount required to be spent by Shreyas till date was ₹ 60.12 lacs. Out of which Shreyas has spent ₹ 20 lacs for the year ended 31st March, 2018. Shreyas believes in adopting a structured approach towards its CSR initiatives and make a modest beginning. The thrust has been on identifying the CSR area which Shreyas firmly believes shall make an impact to the Society. It however does not restrict itself from evaluating other areas which are deemed important for the Company. The amount required to be spent has been set aside by the Company and shall be utilised for CSR activities in future.

The CSR Committee hereby confirms that the implementation and the monitoring of the CSR policy is in compliance with the CSR objectives and the Policy of the Company.

Table I: Manner in which the amount spent/committed during the financial year ended 31 March 2018

CSR Project/ Activity Identified	Sector in which the project is covered	Location of the Project Programme ( Local Area or District )	Amount Outlay / Apporved	Amount spent on the project	Amount Spent Direct or through Implementation agency
To address the lack of quality education opportunities among lesser-privileged children through holistically designed "English Intervention Program"	Education	Mumbai , Maharashtra	20,00,000	20,00,000	Clear Maze Consulting Pvt Ltd

### Table II: Details of Schools covered:

No. of School Covered	Grades	No of Students covered	Total Beneficiaries
Adarsha Vidyalaya	1 & 2	580	
Lokmanya High School	2 to 5	916	2442 Charlant
Awami Girls High School	1 st to 4th	391	— 2442 Students
Shishu Vikas Mandir	LKG to V <sup>th</sup>	555	

### **Details of Implementation Agency:**

Clear Maze Consulting Private Ltd. is a consulting firm that is engaged in cutting edge advisory and consultancy services to private corporate clients and governments.

Clear Maze has been set up by a team of professionals with vast and varied professional experience. The team specializes in Business Management and Project Management advisory. Clear Maze helps corporate in CSR advisory, management and implementation.

Clear Maze has partnered with Karadi Path Education Company Pvt. Ltd. which was founded with the mission to 'provide high impact low cost programs, to deliver English proficiency to children and adults through the indigenously developed Karadi Path methodology.

The company has been in the forefront of and has been singularly focused on researching and developing innovative products and pedagogies to aid learning in the classroom. The Karadi Path methodology represents a revolutionary solution for language learning even in environments where the language is not supported. This program is the outcome of 15 years of innovation, experimentation and trials.

# **MANAGEMENT'S DISCUSSION AND ANALYSIS**

### **GLOBAL ECONOMY OVERVIEW**

The acceleration in global activity that started in 2016 gathered steam in 2017, reflecting firmer domestic demand growth in advanced economies and improved performance in other large emerging market economies. Global growth is set to be just over 3.5% in this calendar year 2018, the fastest for seven years, with improved outcomes in both advanced economies and the EMEs. Confidence measures and levels of new orders for businesses remain strong. This long awaited lift to global growth, supported by policy stimulus, is being accompanied by solid employment gains, a moderate upturn in investment and a pick-up in trade growth. The continued expansion depends on robust global growth and governments' support for right trade policies. However, there are signs that escalating trade tensions may already be affecting business confidence and investment decisions, which could compromise the current outlook. Also, during the year crude oil witnessed a 30% increase in the price and hovered around USD 50 for most part of the year.

(Source: IMF and OECD)

### INDIAN ECONOMY OVERVIEW

Indian economic growth is giving a positive signal for the current and future scenario. It is projected to strengthen to above 7%, gradually recovering from the transitory adverse impact of rolling out the Goods and Services Tax (GST) and measures to choke off the black economy, including demonetisation. India's GDP grew 7.2% in the third quarter of 2018, surpassing expectations and wresting back the mantle of fastest growing economy from China on the back of a rebound in industrial activity, especially manufacturing and construction, and an expansion in agriculture. Reserve Bank of India has estimated GDP growth in a range from 7.4% to 7.9% for the Financial Year 2019-2020. (Source: OECD and Economic Times)

Fiscal deficit for 2017-18 is revised to INR 5.95 lakh Cr at 3.5% of the GDP which is approximately the same as 2016-17 in spite of transformation in the economy. In addition to initiatives like "Make in India", "Housing for All" and "Digital India" government has also introduced "SagarMala" and "Bharat Mala" initiatives which are expected to boost the domestic growth of the country.

### SHIPPING INDUSTRY

The maritime sector plays an important role in India's foreign trade, accounting for about 95 per cent of the country's trade by volume and 70 per cent by value. The sector has been under pressure for years, due to a weak global environment, falling freight rates, contraction in imports and exports, along with issues on the domestic front. Having said that, freight transport is expected to grow at a CAGR of 13.35% by 2020 and this can be attributed to increased demand and supply factors associated with industries like manufacturing, FMCG, E-commerce and Retail.

While the sector will remain dependent on global trade cycles, increased government support in terms of announcements of new policy measures is expected to provide a more conducive environment for stakeholders, going forward. In recent years, the government has launched various policy measures across the maritime chain – ports, coastal shipping, inland water transport (IWT), and ship building, repair and breaking – to promote sector growth. The past two years have also been marked by the launch of Sagarmala, the most ambitious programme for the maritime sector to date. Its implementation aims to cut logistics costs, create new infrastructure, aid in employment generation, etc. While the roadmap for the programme is still evolving, that progress has been made towards project implementation is quite evident.

In a push to developing an integrated logistics framework in the country including industrial parks, cold chains and warehousing facilities- the government has granted infrastructure status to the logistics sector, enabling the industry access to cheaper finances. The size of the logistics sector in India is estimated to be USD 260 Bn; the government expects the Indian logistics sector to grow to USD 360 Bn by 2032. It is estimated that the Indian logistics industry will continue to show robust growth of 10-15% annually, leading the pace of growth of the economy at large.

Road has become the dominant mode of transport for India's freight traffic. However, to meet the demands of growing freight traffic, a shift to more economical as well as environmentally suitable modes i.e., waterway is vital. In addition to a greater emphasis on waterways, the right mode of transport has to be used. Rail and waterways should be prioritised for long distances, rail for medium distances and roads including expressways, for shorter stretches. Such a balanced modal approach would lower transportation costs, achieve greater efficiency and be more environment-friendly.

(Sources: OECD Economic Outlook, World Trade Organization Report; Building India – Transforming the Nation's Logistics Infrastructure McKinsey & Company and other news articles)

### **GLOBAL CONTAINER SHIPPING INDUSTRY**

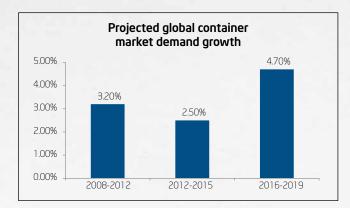

In terms of value, global seaborne container trade is believed to account for approximately 60 percent of all world seaborne trade, which was valued at around 12 trillion U.S. dollars in 2017. While the quantity of goods carried by containers has risen from around 100 million metric tons in 1980 to about 1.7 billion metric tons in 2015, vessels have likewise increased their capacity. Between 1980 and 2016, the deadweight tonnage of container ships has grown from about 11 million metric tons to around 244 million metric tons. As of July 2016, the global cellular container ship fleet had the capacity to carry some 20 million standard containers.

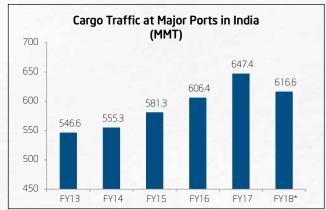

### **INDIAN PORTS**

India has 12 major ports, 6 on the Eastern coast and 6 on the Western coast. Under the National Perspective Plan for Sagarmala, six new mega ports will be developed in the country. India's 200 non-major ports are strategically located on the world's shipping routes.

\*up to Feb 2018

(Source: statista.com – the statistics portal)

In FY18 (up to Feb 2018) major ports have handled 616.62 million tonnes of tra ffic, showing a year-on-year growth rate of 4.97 per cent.

Capacity at major ports grew to 1,065 MMT in FY17, implying a CAGR of 7.75 per cent since FY07. Utilisation rates of major ports in India such as INPT port, Kandla port, Ennore port, etc., are much above the world's average. As of February 2018, 21 dry port projects in India are under implementation. Indian Port Rail Corporation Ltd. (IPRCL), plans to conduct rail infrastructure expansion and modernisation work for INPT, Kandla Port and Haldia Dock Complex in April 2017. Similar works have already started for Kolkata, Vishakhapatnam, Tuticorin, Mangalore and Chennai ports. Germany's Deutsche Bahn Engineering and Consulting plans to form a JV with Indian Port Rail Corp Ltd (IPRCL) with an aim to connect Indian ports with railways. Germany and India are working on projects worth US\$14.87 billion being implemented by IPRCL.

Ports handle almost 95 per cent of trade volumes; thus rising trade has contributed significantly to cargo traffic. Increasing trade is translating into higher demand for containerisation due to their efficiency. During FY07-17, container traffic rose to 124.58 MMT, implying a CAGR of 5.9 per cent.

## **SAGARMALA**

To harness India's 7,500 km long coastline, 14,500 km of potentially navigable waterways and strategic location on key international maritime trade routes, the Government of India has embarked on the ambitious Sagarmala Programme to promote Port-led development in the country. Envisaged by the former Prime Minister Shri Atal Bihari Vajpayee, the concept of Sagarmala was approved by the Union Cabinet on 25th March, 2015. Union Minister of Road Transport and Highways and Shipping Nitin Gadkari said that the ministry expects INR 15 lakh crore investments under the ambitious 'Sagarmala' infrastructure development programme. "About INR four lakh crore investment we are expecting to be made in road connectivity, portrail connectivity, modernisation and mechanisation of ports. Already, work worth INR 2.80 lakh crore" has commenced, he said. Under this programme, the ministry planned to develop Special Economic Zones, coastal development zones, industrial, petroleum and automobile clusters

For promoting port-led industrialization, 14 Coastal Economic Zones (CEZs) covering all the Maritime States and Union Territories have

been identified as part of the National Perspective Plan under the Sagarmala Programme. The Perspective Plans for all 14 CEZs have been prepared in consultation with relevant State Governments and Central Ministries.

Port-led industrialization through the proposed development of CEZ under Sagarmala Programme are expected to provide impetus to the "Make in India" initiative of the Government of India, that will aid in creation of jobs in India. Finalization of institutional framework and roadmap for the development of CEZ based on the recommendations of Inter-Ministerial Committee has been taken up.

(Source: Ministry of shipping)

### OUTLOOK

Ports act as an economic catalyst and help in integrating smaller economies with the global economic system and waterways are the most economical means of bulk transport. For industries to grow and develop in an economy, a well-developed logistics is required. India is striving to improve its manufacturing competitiveness with the "Make in India" initiative. Ports are the drivers of socio- economic change and aid long term growth trajectory of the economy. The Government is making effort towards developing ports into manufacturing ecosystems which attract trade as well as investments. Ports also aid in creating employment and economic and industrial growth of an entire region. The next leg of growth in cargo capacity handled is expected to be led by the containers segment. Major ports in India are already ramping up container handling capacity. With the Sagarmala Programme aiming to increase depth of major ports, Indian ports would be able to handle new-generation mega vessels in the next 2-3 years. We expect cargo container handling to reach 25 million TEU by 2020-21 across major and non-major ports from the current 13 million TEU. Non-major ports are expected to add higher capacity in the segment.

Movement of cargo through coastal shipping has inherent advantages over land modes of transport such as road and rail as it is more cost effective, causes much less pollution, reduces congestion on land and can cater to huge parcel sizes. In view of this, Government of India has initiated several measures for promoting coastal movement. Globally countries such as China and Netherlands have achieved a modal share of 24% for coastal shipping and inland water navigation. In India, coastal shipping accounts for only 6 per cent of the country's total domestic freight (on a tonne-km basis) and is poised to grow to 12% by 2025 with the initiative of Sagarmala project.

The long-term outlook for the sector remains positive, backed by a series of government initiatives being taken. The goods and services tax, rolled out from July 1, 2017, is likely to have a positive impact on reducing logistics costs in the country. The launch of Sagarmala with its focus on "port-led development" instead of only "port development" has brought optimism among stakeholders with the plethora of opportunities that it offers. As part of the programme, the focus is not only on capacity creation. Equal emphasis is being laid on mechanising port operations, developing smart and sustainable ports, providing adequate connectivity and deeper draught levels, developing coastal and IWT, and promoting the ease of doing business. Overall, 415 projects worth INR 8 trillion are planned to be undertaken as part of Sagarmala.

The Sagarmala project is one of the strategic and customer-oriented initiatives to modernize India's ports to augment coastal movement so that ports become drivers of economic growth. Increasing the share of coastal shipping and inland navigation in the transport modal mix is one of the key objectives of the Sagarmala Project.

Pro-active policy initiatives have resulted in the installed capacity of the Major Ports going up from 1,065.83 MTPA during 2016-17 to 1,359 MTPA. Capacity constraints and lack to modern facilities at Indian Ports tremendously elongates the time taken to ship goods in and out of the country and has held back India's share in world trade. Sagarmala could boost India's merchandise exports to \$110 bn by 2025 and create an estimated of 10mn new jobs.

### **OUR CONTRIBUTION**

Incorporated in 1988, Shreyas Shipping and Logistics Ltd (Shreyas), is a part of the 40-year old global conglomerate Transworld Group, and is headquartered in Mumbai, India. The company is a pioneer and market leader in domestic coastal container shipping services and coastal transhipment services covering most major ports and container terminals on the Indian coast. Shreyas also pioneered domestic multimodal transportation in India and it continues to command its premier position till date. It is a preferred partner of most Main Line Operators for EXIM transhipment services at various Indian ports. The company owns and operates a fleet of 13 vessels with a total capacity of 23,143 TEUs, 248,392 GRT & 3,15,722 deadweight tonnage and operates across most Indian container ports.

Along with the container cargo business, we have entered into the break bulk cargo business as well. We see great potential in the break bulk business and aim to be leaders in the same. For the first time in the history of the company, we bought 4 vessels in one financial year. This included 2 container vessels and 2 multi-purpose vessels. With all the thrust by the government given to the shipping industry, we expect both our verticals to outperform.

## Achievements during the year

- SSLL's domestic cargo trade of 109,766 containers in the year 2017-18 as against 59,521 containers in 2015-16 achieving a growth of 84%. This corresponds to carriage of 3.3 million tons containerised cargo in the year 2017-18 as against 1.8 million tons two years earlier.
- 2. Shreyas handled total volume of 448,200 Teus in 2017-18 as against 331,000 Teus in the last year with a growth of 35%
- 3. Besides handling containerised cargo, SSLL commenced handling coastal break bulk cargo in the 2nd half of year 2017 and handled 107,324 MT cargo during the year, mainly steel products of RINL and JSW, besides some project cargo. RINL commenced coastal movement of steel products for the first time venturing into modal shift from land to sea mode.
- 4. Total coastal throughput at Indian ports was 1.5 million Teus in the year 2017 as against .85 million Teus in the year 2015 while SSLL's throughput at Indian ports was 0.8 million Teus in the calendar year 2017 as against 0.45 million in 2015, achieving a growth of 78% in the two years. Growth of 90% in domestic throughput at Indian ports is indication of modal

shift of cargo from land to sea mode while 55% growth in throughput of Exim volume is indication of shift of volume from foreign transshipment ports to Indian ports. Shreyas has contributed for the growth in coastal shipping on both fronts as envisaged by MOS.

- To achieve the growth mentioned above, SSLL acquired 4 vessels including two multipurpose vessels of capacity totaling to 99,567 DWT and 7,603 TEUS in the year 2017-2018, achieving a growth of 56% while there has been 17% CAGR increase in Indian flag container fleet from 2014 until 2017. SSLL is the largest container ship owning & operating company
- 18 major ports and container terminals in India were serviced during year 2017 by SSLL containers and break bulk coastal services on regular frequency, making 1060 port calls during the year.

## Financial highlights of the year

Standalone revenues for the year 2017-18 stood at INR ¬¬544 cr as against INR 376 cr for FY17 which grew by 45%. EBITDA for FY18 is at INR 115 cr as against INR 55 cr during FY17 which grew by 109% and PAT stood at INR 81 cr as against INR 4 cr in FY17 which grew by 1925%. Considering share of profit of an associate and joint venture of INR 11 cr (net of tax adjustment), consolidated PAT stood at INR 92 cr for FY 18.

### Our Strategy

Shreyas Shipping wants to work with similar vision of Government to develop coastal shipping and integrate inland waterways network. We want to develop transhipment over Indian terminals. The plan is to continue to grow in container as well as break bulk business. We over the period of last 5 years, have started acquiring economic and fuel-efficient vessels. This has helped in reducing the cost per TEU and eventually has led to increase in the margins. We have bought four vessels in the last financial year and we will continue to add capacity going forward. With more and more companies across industries starting to use waterways as the mode of transport instead of roadways and railways, we are prepared to capture this growth. Earlier, the composition of cargo was dominated by heavy construction material but now the cargo is diversified and it includes food grains, fertilizers and other industrial products. At the same time, we constantly look at new markets/routes which we can serve and add to our existing routes. Along with the container business, we are looking forward to strengthen the coastal breakbulk business as well using the multi-purpose vessels.

### RISK MANAGEMENT

At SSL, we have a comprehensive risk management structure with benchmarks and reporting framework. Our objective is to identify, evaluate and counter potential risks through an institutionalised approach. As such, we have divided our risk categories as external and internal and identified the key risks that may impact the regular operations of the company.

### **EXTERNAL**

Global Trade/Demand Prospects: The demand for shipping and containerisation largely depends on factors such as Global GDP growth, Global trade patterns. i.e. movement of goods from production to consumption centres and major political and economic developments across economies.

Bunker Cost: Bunker cost, also known as the oil prices, impacts the profitability of the business. Higher oil price turn into high operating cost which, if not accompanied by a proportionate rise in freight rates, will affect the margins of shipping companies.

Unfavourable Trade Regulations: Regulations exist at several different tiers, imposed by national, regional and local authorities. Regulations often differ from city to city, which may hinder the creation of national networks, thus impacting the shipping operations.

Poor infrastructure: Improper facilities at the terminal, insufficient integration of transport networks, weak information technology (IT) support, warehousing and distribution facilities can prove to be another hindrance in smooth operations.

### **HUMAN RESOURCES**

The Company considers its human capital as an invaluable asset. The Company continued to have cordial relationships with all its employees. The Company ensures safeguarding, training, development and growth of its workforce. The total workforce of Your Company stood at 35 shore stuff and 250 floating stuff on 31st March, 2017.

### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's philosophy with regard to internal control systems and their adequacy has been the basis behind the formulation of effective systems. It is their strict implementation that ensures The Company's assets and interest are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data.

### **CAUTIONARY STATEMENTS**

Statements in this report describing The Company's objectives, projections, estimates and expectations may be forward looking statements, within the meaning of applicable laws and regulations, based on beliefs of Shreyas's managements. The Company's current views with respect to the future events and are subject to risks and uncertainties. Many factors could cause the actual result to be materially different from those projected in this report, including amongst others, changes in the general economic and business conditions, changes in the currency exchange rates and interest rates, introduction of competing services, lack of acceptance of new services, and changes in business strategy. Shreyas does not intend to assume any obligation to update any forward-looking statements or information, which speak as of their respective dates reflecting circumstances arising after this date or to reflect the occurrence of underlining events, even if the underlining assumptions do not come to fruition.

For and on behalf of the Board of Directors

Place: Mumbai Date: 25th May, 2018

S. Ramakrishnan **Executive Chairman** 

Annexure 6

# REPORT ON CORPORATE GOVERNANCE

Pursuant to Regulation 34 (3) read with Schedule: V of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 ("Listing Regulations")

## I. Corporate Governance Philosophy and Practice

	Total		2,42,533	1.1046	2,39,522	3,011	98.7585	1.2415

ΪĬ. The postal ballot was conducted by Mr. Dharmesh Zaveri of D. M. Zaveri & Co., Company Secretaries.

Note: In the FY 2018-19, The members may note that the promoters as specified in the Table below have requested to be classified as Non-Promoters and will not be promoters of the Company as duly agreed by them in their letters addressed to the company for reclassifying them as Non-Promoters.

Further as per Rule 19 A of the Securities Contracts (Regulation) Rules, 1957, the public shareholding as on date of the Notice already fulfills the minimum public shareholding requirement of at least 25% of the total share capital and the proposed reclassification as mentioned in the table below will not result in any increase in the Public Shareholding.

The total numbers of votes cast in favour of the resolution were 2,39,522 which constituted 98.7585%. In view of the same, the ordinary resolution was approved and passed with requisite majority towards approval of the members for Business Transaction with M/s. Avana Logistek Limited (formerly known as Shreyas Relay Systems Limited) being a Material Related party which are in the normal course of business and at arm's length.

Name	No. of shares	% of Capital
V. Ramnarayan	109,375	0.50
Rajan Ramnarayan	140,875	0.64
Rajiv Ramnarayan	136,375	0.62
Brinda Ramnarayan	108,375	0.49
Lakshmi Subramanian	200,000	0.91
Abhinav Kumar Subramanian	125,600	0.57
Shiv Kumar Subramanian	125,600	0.56
Total	945,600	4.30

The Board of Director has accorded their approval vide board meeting dated 05th April 2018 to the said re-classification subject to the approval of the Members of the Company and relevant regulatory authorities.

The Board recommends the Special Resolution for approval of the Members by way of Postal Ballot while the voting period commences from 19th April 2018 to 18th May 2018. None of the directors of the Company, key managerial person or their relatives are deemed to be concerned or interested, financially. The abovementioned promoters seeking re-classification do /will not: - have any special rights through formal or informal agreements. - hold more than 10% of the paid-up capital of the Company. - act as a Key Managerial Person for a period of more than three years from the date of Shareholders approval on meeting of the above conditions.

### Procedure for Postal Ballot:

Upon receiving approval of the Board of Directors and consent from the Scrutinizer, the notice of the Postal Ballot containing text of the Resolution to be passed and the relevant Explanatory Statement, postal ballot form, prepaid self-address postage envelope are sent to the shareholders to enable them to vote on the Resolutions within a period of 30 days from the date of dispatch. The Company also provides e voting facility to the members to cast their vote by electronic means. A notice is published in the local newspaper regarding dispatch of the Postal Ballot notice. After the last date of receipt of ballots, the Scrutinizer submits his report. Thereafter the results are declared. The Scrutinizer's report is submitted to the Stock Exchange and also displayed on the Company's website.

### Means of communication X.

- The quarterly and annual financial results of the Company are being published in leading newspapers to provide easier accessibility to the Shareholders and are also displayed on the Company's website www.transworld.com/shreyas
- The financial results during the year 2017-18 were published in The Free Press Journal and Nav Shakti. The results are simultaneously uploaded on the Company's website.

#### XI. **Disclosures**

- a. Transactions with related parties, as per requirements of Indian Accounting Standard 24, are disclosed in Annexure to the Notes to Accounts. These are not in conflict with the interests of the Company in view of the following:
  - The Audit Committee had granted omnibus approval upto certain threshold limits for RPTs during 2017-18 and the actual value of transactions were reviewed on quarterly basis vis-à-vis the limits
  - All details relating to financial and commercial transactions, wherein Directors may have a potential interest are provided to the Board and the interested Directors neither participate in the discussion, nor do they vote on such matters.
  - iii. These are at prices, which are reasonable, having regard to the prevailing market prices at the relevant time.
  - The policy is available and can be downloaded from company's website: www.transworld.com/shreyas
- The Company has a Whistle Blower Policy in place and accordingly every person shall have access to the Audit Committee under the said Policy. The policy is available and can be downloaded from the website: www.transworld.com/shreyas
- Disclosures have been received from Senior Management personnel to the effect that during the year ended 31st March, 2018, there were no financial and commercial transactions in which they had personal interest that may have a potential conflict with the interest of the Company at large.
- The Company has adopted the following policies and are also uploaded on the Company's website www.transworld.com/shreyas. d.
  - 1. Policy for Determination of Material Events.
  - 2. Archival Policy
  - 3. Policy on Preservation of Documents
  - Policy on determining Material Subsidiaries
- With regard to matters related to capital markets, the Company has duly complied with the requirements of the Listing Agreements entered into with the Stock Exchanges as well as the regulations and guidelines of SEBI. Consequently, no penalties were imposed or strictures passed against the Company by SEBI, Stock Exchanges or any other statutory authority.
- The Company has complied with Part E of Schedule II of the SEBI (LODR) Regulations, 2015 as follows: f.
  - 1. The statutory auditor's report on financial statements of the Company are unqualified.
  - 2. The Internal Auditors make presentations to the Audit Committee on their reports.

- 3. As on 31st March, 2018 Mr. S. Ramakrishnan was the Chairman & Managing Director and Capt. V. K. Singh was the Chief Executive Officer of the Company. Thus the Company has complied with the requirement of having separate persons to the post of Chairman and Managing Director / Chief Executive Officer.
- g. Fuel oil being a commodity constitutes a major operating expense for the Company. Any fluctuation in the oil prices directly impacts the Company. The Risk Management Committee periodically assesses the situation. During the year, the Company has not undertaken any hedging activity.
- h. As on 31st March, 2018, the Company has no subsidiary.
- i. The Company has fully complied with all the mandatory requirements of SEBI (LODR) Regulations, 2015.
- j. The Company has followed all relevant Accounting Standards notified by the Companies (Indian Accounting Standards) Rules, 2015 while preparing Financial Statements.

### XII. Auditors' certificate on Corporate Governance

The Auditors certificate on compliance with the Corporate Governance requirements under Schedule V of the SEBI (LODR) Regulations, 2015 entered into with the Stock Exchanges is given as Annexure in the Report.

### XIII. Code of Conduct for prevention of Insider trading

In compliance with the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has adopted a comprehensive "Code of Conduct for Prevention of Insider Trading" and "Code of Practices and Procedures for Fair Disclosures". The Company believes that these Codes will help in ensuring compliance of the SEBI Regulations.

## CERTIFICATE

### To The Members of Shreyas Shipping and Logistics Limited

#### Independent Auditor's Certificate on Corporate Governance

- 1. This certificate is issued in accordance with the terms of our engagement letter reference no. SVP/3970A dated August 3, 2017.
- 2. We, Deloitte Haskins & Sells LLP, Chartered Accountants, the Statutory Auditors of Shreyas Shipping and Logistics Limited (the "Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31 March 2018, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

#### Managements' Responsibility

3. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

#### **Auditor's Responsibility**

- 4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
- 5. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
- 6. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the "ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
- 7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

#### Opinion

- 8. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended March 31, 2018.
- 9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

# CERTIFICATION BY CHIEF EXECUTIVE OFFICER (CEO) AND CHIEF FINANCIAL OFFICER (CFO)

We, the undersigned, in our respective capacities as Capt. Vivek Kumar Singh, Managing Director and Rajesh Desai, Chief Financial Officer of Shreyas Shipping & Logistics Limited, to the best of our knowledge and belief, certify that:

- A. We have reviewed the financial statements and the cash flow statement for the year ended 31<sup>st</sup> March, 2018 (hereinafter referred to as 'the year') and that to the best of our knowledge and belief:
  - i. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
  - ii. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. We further state that to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and have taken requisite steps to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit committee:
  - i. significant changes, if any, in internal control over financial reporting during the year; and
  - ii. significant changes, if any, in accounting policies during the year and the same have been disclosed in the notes to the financial statements.
  - iii. That there have been no instances of significant fraud of which we have become aware and any involvement therein, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

# **DECLARATION**

This is to confirm that the members of the Board of Directors and the Senior Management have confirmed compliance with the Code of Conduct and Ethics for the financial year ended 31<sup>st</sup> March, 2018.

For Shreyas Shipping & Logistics Limited

Capt. Vivek Kumar Singh Managing Director

Place: Mumbai Date: 25<sup>th</sup> May, 2018

To The Members of Shreyas Shipping and Logistics Limited

#### Report on The Standalone Ind as Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **SHREYAS SHIPPING AND LOGISTICS LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Standalone Ind AS Financial Statements").

## Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS Financial Statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

## Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 01, 2016 prepared in accordance with Ind AS included in these Standalone Ind AS Financial Statements has been audited by the predecessor auditor. The report of the predecessor auditor on the comparative financial information and the said opening balance sheet dated May 25, 2017 expressed an unmodified opinion.

Our opinion on the Standalone Ind AS Financial Statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements:
    - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
    - iii. There were no amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## INDEPENDENT AUDITOR'S REPORT

#### Annexure A

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of SHREYAS SHIPPING AND LOGISTICS LIMITED (the "Company") as of March 31, 2018 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Annexure A

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively. as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

#### Annexure B

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
  - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification, which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
  - (c) The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under paragraph 3(i)(c) of the Order is not applicable.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit and hence reporting under paragraph 3(v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013, in respect of the activities of the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
  - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Service Tax, Goods & Service Tax, Customs Duty, cess and other material statutory dues applicable to it with the appropriate authorities. As informed to us the provisions of Sales Tax, Excise Duty and Value Added Tax were not applicable to the Company during the current year.
  - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Service Tax, Goods & Service Tax, Customs Duty, cess and other material statutory dues in arrears as at March 31, 2018 for a period of more than six months from the date they became payable.
  - (c) Details of dues of Customs Duty which have not been deposited as on March 31, 2018 on account of disputes are given below:

Name of statute	Nature of dues	Forum where dispute is pending	Period(s) to which the amount relates	Amount unpaid (₹ in lac)	Amount paid under protest (₹ in lac)
The Custom Act, 1962	Customs Duty	Additional Commissioner of Customs	2012-13	36.66	-
		Directorate of Revenue Intelligence	2012-13	16.23	-

There were no dues of Income Tax, Service Tax, Sales Tax, Excise duty, Value Added Tax and Cess which have not been deposited as at March 31, 2018 on account of dispute.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions and banks. The Company has neither taken any loans or borrowings from the government nor issued any debentures.
- (ix) In our opinion and according to the information and explanations given to us, money raised by the way of term loans have been applied by the Company during the year for the purposes for which they were raised. The Company has neither raised any moneys by way of initial public offer or further public offer (including debt instruments) nor were such proceeds pending to be applied, during the current year.

#### Annexure B

- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Ind AS Financial Statements as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under paragraph 3(xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934.

STATEMENT OF CHANGES IN EQUITY

for the year ended March 31, 2018

3

for the Year Ended March 31, 2018

#### 1. Corporate information

Shreyas Shipping and Logistics Limited (the "Company" or "SSLL") is a public limited Company incorporated in India on August 16,1988 under the Companies Act, 1956. The registered office of the Company is 4th Floor, Himalayas, Geetmala Complex, Shah Industrial Estate, Govandi - Fast Mumbai, Maharashtra, India - 400 088.

SSLL is India's first container feeder owning and operating Company. The Company started its operations in 1993 primarily to fill the gap for feedering of containers between Indian ports and internationally renowned Asian transshipment ports. SSLL's shares are listed on both Bombay Stock Exchange and National Stock Exchange. At present, it is a leading player in coastal shipping sector.

#### Applicability of new and revised Ind AS 2.

## (a) Amendments to Ind AS that are notified and adopted by the Company

As per Companies (Indian Accounting Standards) (Amendment) Rules, 2017 dated March 17, 2017, Ministry of Corporate Affairs ("MCA") has notified amendments to two new standards namely Ind AS 102 Share-based Payment and Ind AS 7 Statement of Cash Flows which have become effective from April 01, 2017.

During current period, there are no share based payment transactions and hence Ind AS 102 is not applicable to the Company.

Further, amendment to Ind AS 7 pertains to additional disclosure requirement such as "An entity will be required to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes."

Relevant disclosures in this regard has been provided in foot note (c) to note 15 on Borrowings.

#### (b) New standard issued but not yet effective

MCA on March 28, 2018 notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 (the "Rules"). The Rules notify the new revenue standard Ind AS 115, Revenue from Contracts with Customers and also bring in amendment to existing Ind AS. The Rules shall be effective from reporting periods beginning on or after April 01, 2018.

- New revenue standard Ind AS 115 supersedes the existing standards Ind AS 18 "Revenue" and Ind AS 11 "Construction" Contracts". The new standard provides a control-based revenue recognition model and provides a five step application principle to be followed for revenue recognition:
  - Identification of the contracts with the customer
  - Identification of the performance obligations in the contract ii.
  - Determination of the transaction price
  - ίν. Allocation of transaction price to the performance obligations in the contract (identified in step ii)
  - Recognition of revenue when the Company satisfies a performance obligation.
- Appendix B, (Foreign Currency Transactions and Advance Considerations) to Ind AS 21, "The Effects of Changes in Foreign Exchange Rates" has been notified. The appendix clarifies that the date of the transaction, for the purpose of determining the exchange rate to use on initial recognition of related asset, expense or income, should be the date on which an entity has received or paid an advance consideration in a foreign currency.

The management is assessing the impact of the aforesaid amendments on the Company's financial information.

#### 3. Significant accounting policies

#### Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its financial statements following the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 in respect of section 133 of the Companies Act 2013. Accordingly, the Company has prepared these Standalone Ind. AS Financial Statements which comprise the Balance sheet as at March 31, 2018, Statement of Profit and Loss, Statement of Cash Flows and the Statement of Changes in Equity for the year ended March 31, 2018 and significant accounting policies and other explanatory information (together hereinafter referred to as "Standalone Ind AS Financial Statements").

for the Year Ended March 31, 2018

#### (b) Basis of preparation and presentation

The financial statements upto the year ended March 31, 2017, were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") and other relevant provisions of the Act. These financials statements are the first Ind AS financial statements of the Company and have been approved for issue by the Board of Directors at their meeting held on May 25, 2018. The date of transition to Ind AS is April 01, 2016.

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 01, 2016 prepared in accordance with Ind AS included in these Standalone Ind AS Financial Statements has been audited by PKF Sridhar & Santhanam LLP, the predecessor auditor, vide their report dated May 25, 2018.

The Company has adopted all issued Ind AS standards, as applicable, and the adoption was carried out in accordance with Ind AS 101. The transition was carried out from the Previous GAAP to Ind AS. An explanation of how the transition to Ind AS has affected the reported financial position and financial performance of the Company is provided in Note 37. This note includes reconciliations of equity and total comprehensive income for comparative year under Indian GAAP to those reported under Ind AS. Also, refer Note (p) for the details of first-time adoption exemptions availed by the Company.

The accounting policies as set out below have been applied consistently to all the periods presented in these Standalone Ind AS Financial Statements.

The functional currency of the Company is determined to be Indian Rupees as

- a) It is the currency in which the sales prices for the Company's services are predominantly denominated and settled and the Indian competitive forces and regulation mainly drive the sales prices of its services.
- b) It is the currency that mainly influences input costs of those services.

The amounts in the Standalone Ind AS Financial Statements are also presented in Indian Rupees in lac as permitted by Schedule III to the Companies Act, 2013. Per share data is presented in Indian Rupees rounded to two decimals places.

The Standalone Ind AS Financial Statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these Standalone Ind AS Financial Statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs)

#### (c) Revenue recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer rebates and other similar allowances.

for the Year Ended March 31, 2018

- (i) Revenue from logistics service operations
  - a) Ocean freight and charter hire income from transportation of cargo by inland and international waterways respectively is recognised following the proportionate completion method on time basis.
  - b) In case of end-to end logistics services under multimodal transport, the revenue is recognised following the proportionate completion method on time basis for each mode.
  - c) Other operating income in the nature of documentation charges and crane handling charges is recognised upon delivery of such services to the customers.

#### (ii) Dividend income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

#### (iii) Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### (d) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Historical cost comprises its purchase price net of any trade discounts and rebates, import duties and other taxes (other than those subsequently recoverable from tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 01, 2016 (transition date) measured as per the pervious GAAP and use that carrying value as its deemed cost as of the transition date.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the expected usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Class of assets	Useful lives in years
Dry-dock component of fleet	2.5 years
Mobile handsets	3 years
Computers	6 years

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life for that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

for the Year Ended March 31, 2018

#### (e) Foreign exchange transactions

The functional and presentation currency of the Company is Indian Rupee.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

Non-monetary items denominated in a foreign currency are measured at historical cost and translated at exchange rate prevalent at the date of transaction.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for the exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

Exchange difference arising on settlement / restatement of long-term foreign currency monetary items recognized in the financial statements for the year ended March 31, 2017 prepared under Previous GAAP, are capitalized as a part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

#### (f) Borrowing costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eliqible for capitalisation.

All the other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

#### (g) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### Current tax:

The Company has opted for Tonnage Tax for shipping income. Current tax for the current period is the aggregate of Tonnage Tax on shipping income determined in accordance with the provisions of Section 115VT of the Income Tax Act, 1961 ("IT Act") and tax on non-shipping income determined based on taxable income and tax credits computed in accordance with the relevant provisions of IT Act.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

#### Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

for the Year Ended March 31, 2018

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax is recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting of a business combination, the tax effect is included in the accounting for the business combination.

### Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

#### (i) **Employee benefits**

#### Short-term employee benefits:

Benefits accruing to on-shore employees in respect of wages, salaries, compensated absences and estimated cost of bonus which are expected to be availed within twelve months immediately following the year end are reported as expenses during the year in which the employee performs the service that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Where the availment or encashment is otherwise not expected to wholly occur within the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method at the present value of the estimated future cash flow expected to be made by the Company in respect of services provided by employees up to the reporting date.

In respect of off-shore employees benefits accruing in the nature of salaries are reported as expenses during the year in which the employee performs the related service. The Company does not provide benefits in the nature of bonus or compensated absences to off-shore employees.

#### Retirement benefit costs and termination benefits (ii)

#### Defined contribution plans:

The eligible on-shore employees of the Company are entitled to receive benefits under the provident fund scheme which is in substance, defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary). Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

As per the Company's agreement with National Union Seafarers of India under Section 101 of the Merchant Shipping Act, 1958, the Company in respect of its off-shore employees, makes monthly contribution towards provident fund and annuity at a specified percentage of the covered employees' salary (currently 12% of basic salary and 10% basic salary

for the Year Ended March 31, 2018

respectively) under Seamen's Provident Fund Act and towards gratuity at 12% of basic salary to Seafarers Welfare Fund Society. Payment to these funds are regarded as contribution to defined contribution retirement benefits plans as the Company's liability is restricted to the contribution made to these funds and recognised as an expense when employees have rendered the services entitling them to the contribution.

#### Defined benefit plans:

The Company's liabilities towards gratuity to on-shore employees is determined using the projected unit credit method, with actuarial valuations being carried out on a yearly basis.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in other equity and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of termination benefit and when the entity recognises any related restructuring costs.

#### (i) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

#### (k) Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the leases. All other leases are classified as operating leases.

#### Company as a lessor:

Rental income from operating leases is recognised on straight line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on straight line basis over the lease term.

### Company as a lessee:

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease.

#### (I) Government grant

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

for the Year Ended March 31, 2018

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in the profit or loss in the period in which they become receivable.

#### (m) Accounting and reporting of information for Operating Segments

Operating segments are those components of the business whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM") in the Company to make decisions for performance assessment and resource allocation. As explained in note 32 below, "Sea Logistics" has been defined as the single reportable segment of the Company. The reporting of segment information is the same as provided to the CODM.

#### (n) **Inventories**

Inventories are stated at the lower of cost and net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make sale.

Cost of inventories include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories of fuel oil, lube oil and victualling stock is determined on first-in-first-out basis. Store and spares is charged off to the Statement of Profit and Loss upon receipt on vessel.

#### (o) Financial instruments

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

#### Non-derivative financial instruments:

#### i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### ii) Financial assets carried at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### iv) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

#### Investment in subsidiaries

The Company records the investments in subsidiaries at cost less impairment loss, if any.

for the Year Ended March 31, 2018

#### vi) Equity instruments

An equity instrument is a contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

#### vii) Financial liabilities at amortized cost

Financial liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### (b) Impairment:

#### i) Financial assets:

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

The Company assessed the expected credit losses associated with its assets carried at amortised cost and fair value through other comprehensive income based on the Company's past history of recovery, credit worthiness of the counter party and existing market conditions.

#### ii) Non-financial assets:

#### Property, plant and equipment:

Property, plant and equipment with finite lives are evaluated for recoverability wherever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

#### (c) De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expires or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

#### (d) Derivative financial instruments

The Company enters into derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risk.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedged item and hedging relationship.

for the Year Ended March 31, 2018

#### (e) Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### Fair value of financial instruments:

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value and such value may never actually be realised.

#### Hedge accounting

The Company designates certain hedging instruments, which include derivatives in respect of foreign currency, as either cash flow hedge or fair value hedge. Hedges of foreign currency risk on firm commitments are accounted for as cash flow

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to hedged risk.

#### (i) Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognized in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to hedged risk are recognized in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

#### Cash flow hedges

The effective portion of changes in fair value of derivatives that are designated and qualify as cash flow hedges is recognized in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to effective portion as described above are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains or losses are transferred from equity (but not as a reclassification adjustment) and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

#### First time adoption:

The Company has prepared the opening Balance Sheet as per Ind AS as of April 01, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain exception and certain optional exemptions as detailed below.

for the Year Ended March 31, 2018

#### i. Deemed cost for property, plant and equipment:

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 01, 2016 (transition date) measured as per the Previous GAAP as its deemed cost as at the date of transition.

#### ii. De-recognition of financial assets and financial liabilities

The Company has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after the transition date.

#### iii. Designation of previously recognised financial instruments

The Company has designated financial liabilities and financial assets at fair value through profit or loss on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

#### iv. Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

#### v. Classification of debt instruments

The Company has determined the classification of debt instruments (asset) in terms of whether they meet the amortised cost or the fair value through other comprehensive income (FVTOCI) criteria based on the facts and circumstances that existed as of the transition date.

#### vi. Long term foreign currency monetary item:

The Company has continued with the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements prepared under Previous GAAP as at and for the year ended March 31, 2017.

#### vii. Investments in subsidiaries:

The Company has elected to continue with the carrying amount of its investments in subsidiaries recognised as of April 01, 2016 (transition date) measured as per the Previous GAAP as its deemed cost as at the date of transition.

#### 4. Key sources of estimation uncertainty and critical accounting judgements:

The preparation of the financial statements requires management to make judgements, estimates and assumptions about the reported amounts of assets and liabilities, and, income and expenses that are not readily apparent from other sources. Such judgments, estimates and associated assumptions are evaluated based on historical experience and various other factors, including estimation of the effects of uncertain future events, which are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the management in the process of applying the Company's accounting policies and that have the most significant effect on the amount recognised in the financial statements and/or key sources of estimation uncertainty that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### i. Revenue recognition:

The Company recognises unfinished voyage income and related expenses based management's estimates on the average number of days required to complete the voyage from the port of origin for the voyage to the port of destination given its operational performance during the year. The actual travel time per voyage may differ leading to differences in unfinished voyage income and expenses to be recognised for voyages in-transit at the end of the period.

for the Year Ended March 31, 2018

#### ii. Useful lives and residual values of property, plant and equipment:

As described in 3(d) above, the management reviews the useful lives of property, plant and equipment at least once a year. Such lives for fleet are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs, historical planned and scheduled maintenance, the operating condition of the vessel etc. Accordingly, depreciable lives are reviewed annually using the best information available with the Management.

Residual values is estimated based on the steel scrap rate applied to the light weight of each vessel at the end of each financial year.

It is possible that the estimates made based on existing experience are different to the actual outcomes within the following financial periods and could cause a material adjustment to the carrying amount or depreciation charge on Property, Plant and Equipment.

#### iii. Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystalising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in Note 34 but are not recognized. Company's assessment of exposure to contingencies could change as new developments occur or more information becomes available. The outcome of the contingencies could vary significantly and could materially impact the Company's results and financial position.

#### iv. Expected credit losses:

The Company assesses its expected credit losses at each reporting date. Allowances are applied to receivables where events or changes in circumstances indicate that the carrying amounts may not be recoverable. Key assumptions applied are experience (including comparisons of the relative age of accounts and consideration of actual write-off history), customer creditworthiness, changes in customer payment terms, the estimated debt recovery rates and future market conditions that could affect recovery. The actual level of debt collected may differ from the estimated levels of recovery.

#### v. Defined benefit plans:

The cost of defined benefit plan and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations and mortality rates etc. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

#### vi. Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility.

#### Footnotes:

- Capital redemption reserve: The Companies Act provides that companies redeeming preference shares at face value or nominal value is required to transfer an amount into capital redemption reserve. This reserve can be used to issue fully paid-up bonus shares to the shareholders of the Company.
- Securities premium reserve: The amount received in excess of face value of equity shares is recognised in Share Premium Reserve. This is not available for distribution of dividend but can be utilised for issuing bonus shares.
- Tonnage tax reserve: The reserve is a statutory reserve as per requirement of section 115VT of the Income Tax Act, 1961 for the purpose of complying with the conditions of tonnage tax scheme.
- Tonnage tax utilisation reserve: The tonnage tax utilised reserve represents the utilisation of tonnage tax reserve created as per requirement of section 115VT of the Income Tax Act, 1961 for the purpose of purchase of vessel.
- **General reserve:** The Company created a general reserve in earlier years pursuant to the provisions of the Companies Act wherein certain percentage of profits were required to be transferred to general reserve before declaring dividends. The provision of the Companies Act 2013, do not mandate transfer of profits to general reserve. General reserve is a free reserve available for distribution subject to compliance with the Companies. (Declaration and Payment of Dividend) Rules, 2014.
- Retained earnings: Retained earnings comprise balances of accumulated (undistrubuted) profit and loss at each year end. (f)
- Cash flow hedges: Cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated hedging instruments entered into for cash flow hedges, which shall be reclassified to Statement of Profit and Loss only when the hedged transaction affects the profit or loss, edges, which shall be reclassified to Statement of Profit and Loss only when the hedged transaction affects the profit or loss.

	(iii)	Gratuity	Seafarers Welfare Fund Society	11	10
Tota	əl		·	124	74

# 29.2. Defined benefit plans

# Gratuity (funded)

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity shall be payable to an employee on the termination of his employment after he has rendered continued services for not less than 5 years, or on the superannuation or resignation. However, in case of death of the employee, the minimum period of 5 years shall not be required. The amount of gratuity payable on termination/retirement is the employee last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years' service completed.

The amount included in the balance sheet arising from the entity's obligation in respect of gratuity is as follows:

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Present value of funded defined benefit obligation	217	151	131
Fair value of plan assets	(242)	(146)	(117)
Amount not recognized due to asset limit	1		
Net liability / (asset) arising from defined benefit obligation (Refer Note 17)	(24)	5	14

Amounts recognised in Statement of Profit and Loss in respect of these defined benefits plans are as follows:

Particulars	As at March 31, 2018	As at March 31, 2017
Service Cost		
Current Service Cost	9	8
Interest on net defined benefit liability/(assets)	(1)	1
Components of defined benefit costs recognised in profit or loss	8	9
		(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017
Remeasurement on the net defined benefit liability due to:		
Actual return on plan assets less interest on plan assets	(10)	(7)
Actuarial (Gains)/losses arising from changes in financial assumptions	(15)	4
Actuarial (Gains)/losses arising from experience assumptions	73	7
Adjustment to recognise the effect of asset ceiling	1	-
Components of defined benefit costs recognised in other comprehensive	49	4
income		

for the Year Ended March 31, 2018

The current service cost and the net interest expense for the year are included in the "Employee benefits expense" line item in the Statement of Profit and Loss.

The remeasurement of the net defined liability is included in other comprehensive income.

Movements in the present value of the defined benefit obligations are as follows:

(₹ in lac)

Particulars	Year ended	Year ended
	March 31, 2018	March 31, 2017
Opening defined benefit obligations	151	131
Current service cost	9	8
Interest Cost	6	9

	·	

# Movements in the fair value of the plan assets are as follows:

(₹ in lac)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Opening fair value of plan assets	146	117
Contribution from the employer	86	22
Interest income	7	8
Remeasurement gains/(losses)		-
Actual return on plan assets less interest on plan assets	10	7
Benefits paid	(7)	(1)
Assets acquired / (settled)	-	(7)
Closing fair value of plan assets	242	146

The fair value of			

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017
Insurer managed funds (managed by LIC of India)	242	146
	242	146

The principal assumptions used for the purposes of the actuarial valuations were as follows:

	(Valuation as at)		_
Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Discount rate(s)	7.45%	6.80%	7.60%
Expected rate(s) of salary increase	5.00%	7.00%	7.00%

In assessing the Company's post retirement liabilities, the Company monitors mortality assumptions and uses up-todate mortality tables, the base being the Indian assured lives mortality (2006-08) ultimate.

The Company expects to contribute ₹ Nil (for the year ended Mar 31, 2017 : ₹ 5 lac) to its gratuity plan for the next year.

Expected return on plan assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations after considering several applicable factors such as the composition of plan assets, investment strategy, market scenario, etc.

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

for the Year Ended March 31, 2018

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Sensitivity analysis of significant actuarial assumptions:

(₹ in lac)

Particulars	March 3	March 31, 2018		March 31, 2017	
	Increase Decrease		Increase	Decrease	
Discount rate (-/+ 50 bps)	(3)	3	(3)	3	
Salary growth rate (-/+ 50 bps)	3	(3)	3	(3)	

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

### b) Compensated absences (unfunded)

As per the Company's policy accumulated leave may be availed by an employee during the period of his service and may be encashed on separation (i.e. due to death, retirement, separation or resignation). Compensated absences which are not expected to be encashed or availed within twelve months of the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance Sheet date.

# Defined benefit plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using
	a discount rate which is determined by reference to market yields at the end of the reporting period on
	government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan
	assets are managed by Life Insurance Corporation of India as part of their Group Gratuity Scheme.
Interest risk	A decrease in the government bond interest rate will increase the plan liability; however, this will be partially
	offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the
	mortality of plan participants both during and after their employment. An increase in the life expectancy of
	the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan
	participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

In respect of the plans, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2018 by Mr. Arpan N. Thanawala, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation and the related current service costs and past service cost, are measured using the projected unit credit method.

for the Year Ended March 31, 2018

# 30. Earnings per Share

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Profit after taxes for the year attributable to equity shareholders (₹ in lac)	8,091	351
Weighted average number of equity shares outstanding during the year	21,957,533	21,957,533

### 32. Segment information

The Company has determined 'Sea logistics' as its single reportable segment based on the information reviewed by the Company's Chief Operating Decision Makers (CODM).

The information relating to revenue from customers and location of its non-current assets of its single reportable segment is as under:

### a) Revenue from operations:

(₹ in lac)

Particulars	Year end	led Year ended
	March 31, 20	18 March 31, 2017
Within India	47,2	264 31,990
Outside India	6,7	'95 5,026
	54,0	59 37,016

### Non-current assets: b)

All non-current assets other than financial instruments and deferred tax assets of the Company are located in India.

### c) Information about major customers

Revenue from operations include revenues of ₹ 27,052 lac (previous year: ₹ 20,016 lac) from the single largest customer of the Company. No other single customer contributed 10% or more to the Company's revenue for the current and previous year.

# 33. Financial Instruments

### 33.1 Capital Management

The Company's objective for capital management is to maximize shareholder value, safeguard business continuity and maintain an optimal capital structure to reduce the cost of capital. The Company maintains its financial framework to support the pursuit of value growth for shareholders, while ensuring a secure financial base. In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

The capital structure of the Company consists of total equity. The Company is not subject to any externally imposed capital requirements.

for the Year Ended March 31, 2018

# Gearing ratio:

The gearing ratio at end of the reporting period was as follows:

for the Year Ended March 31, 2018

# Fair values of the Company financial assets and financial liabilities

(₹ in lac)

Particulars		Fair value hierarchy	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016	Valuation technique(s) and key input(s)
(A)	Financial assets and liabilities measured at fair value on recurring basis					
	Investment in mutual funds	Level 1	2,831	4,640	6,571	Closing NAV of the mutual fund schemes
	Interest rate swaps not designated in hedge accounting relationship	Level 2	22	-	-	Defer pete (a)
	Foreign currency forward contracts designated in hedge accounting relationship	Level 2	-	751	1,148	Refer note (a) below
	Investment in equity shares	Level 3	9	9	23	Net asset value method
(B)	Financial assets and liabilities measured at amortised cost for which fair values are disclosed					
	Non current borrowings (including current maturities)	Level 3	74	-	-	Refer note (b) below

### Footnotes:

- Discounted cash flow. Future cash flows are estimated based on forward interest rates (from observable yield curves at the end of the reporting period) and contract interest rates, discounted at a rate that reflects the credit risk on various counter parties
- Generally accepted pricing model based on discounted cash flow analysis with most significant input being the discounting rate (b) that reflects the credit risk of counterparties.
- The management considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements, other than as detailed in table above, approximate their fair values.

The following table presents the changes in investment in unlisted equity shares (level 3 item)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017 Amount	
	Amount		
Balance at the beginning of the year	9	23	
Loss recognised in the Statement of Profit and Loss	-	(14)	
Balance at the end of the year	9	9	

for the Year Ended March 31, 2018

# 33.3 Details of financial assets pledged as collateral

Carrying amount of financial assets provided as a collateral for obtaining borrowing and other facilities from the bankers are as follows:

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Financial assets			<u> </u>
Investments	2,520	4,011	4,687
Trade receivables	14,075	9,110	6,947
Cash and cash equivalents	723	977	595
Bank balances other than above	47	69	21
Other financial assets	582	171	185
Total	17,947	14,338	12,435

# 33.4 Financial risk management objectives

While ensuring liquidity is sufficient to meet Company's operational requirements, the Company's financial management committee also monitors and manages key financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

### 34.5 Market risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of a business. The major components of market risk are commodity price risk(fuel), freight rate movements, foreign currency exchange risk and interest rate risk.

# 33.6 Foreign currency risk management

The Company undertakes transactions denominated in different foreign currencies and consequently exposed to exchange rate fluctuations. Exchange rate exposures are managed within approved policy parameters. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(₹ in lac)

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016

FCNR Loan - USD	25,427	14,437	12,272

# 33.7. Foreign currency sensitivity analysis

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables. As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between INR and following currencies, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below. A positive number below indicates an increase in profits or equity where INR strengthens 5% against the relavant currency. For a 5% weakening of INR against the relavant currency , there would be a comparable impact on profit or equity, and the balances below would be negative.

for the Year Ended March 31, 2018

<sup>\*</sup> Amount represent less than Rs 0.5 lac

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

The Company undertakes transactions denominated in different foreign currencies and consequently exposed to exchange rate fluctuations. Exchange rate exposures are managed within approved policy parameters. The Company resorts to cash flow hedge to manage its foreign exchange risk.

(i) Nominal value of foreign currency forward contracts designated as hedging instruments is ₹ 3,288 lac as at March 31, 2017 (₹ 3,731 lac as at April 01, 2016) and their corresponding fair values amounts to ₹ 751 lac as at March 31, 2017 (₹ 1,148 lac as at April 01, 2016), with maturity upto July 2020.

for the Year Ended March 31, 2018

(ii) Foreign currency borrowings are designated as hedging instruments in cash flow hedges of forecast sales in US Dollar. These forecast transactions are highly probable. The balance of foreign currency borrowings varies with changes in foreign exchange rates.

Carrying amount of foreign currency borrowings designated as hedging instruments is ₹ 12,620 lac as at March 31, 2018 with maturity upto March 2025.

Net unrealised gain of ₹ 112 lac (negative) relating to effectiveness of cash flow hedges of expected future sales is included in OCI and the hedge ineffectiveness of ₹ 99 lac is recognised in the Statement of Profit and Loss.

# 33.8 Interest rate risk management

The Company is exposed to interest rate risk because of borrowing of funds at floating interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

(₹ in lac)

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Fixed rate borrowings	74	-	-
Floating rate borrowings	26,155	17,597	15,903
Total borrowings	26,229	17,597	15,903

During the current year, the Company has entered into an interest rate swap contract that converts Rs. 1603 lac of floating rate borrowings into fixed rate borrowings.

Interest rate sensitivity analysis

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended March 31, 2018 would decrease/increase by ₹ 123 lac (2016-17: ₹ 88 lac)

### 33.9 Other price risks

The Company is exposed to price risk arising from investments in mutual funds. Company's equity investments are held for strategic rather than trading purpose.

The sensitivity analysis below have been determined based on the exposure to mutual fund price risk at the end of the reporting period. If the mutual fund price has been 5% higher / lower;

If the net assets value of mutual fund scheme has been 5% higher / lower, profit for the year ended March 31, 2018 would increase / decrease by ₹ 232 lac ) as a results of the changes in the fair values of mutual fund investments.

# 33.10 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing only with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Credit risk arises from cash and cash equivalents, deposits with banks as well as customers including receivables. Credit risk management considers available reasonable and supportive forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory changes, government directives, market interest rate).

Credit exposure is managed by counterparty limits for investment of surplus funds which is reviewed by the Management. Investments in liquid plan/schemes are with reputed Companies having high rating. For banks, only high rated banks are considered for placement of deposits.

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

Of the trade receivables balance as at March 31, 2018: ₹8,317 lac (as at March 31, 2017: ₹4,918 lac; as at April 01, 2016: ₹4,421 lac) is due from Avana Logistek Limited (formerly known as Shreyas Relay Systems Ltd.). There are no other customers who represent more than 10% of total balance of trade receivables.

for the Year Ended March 31, 2018

# 33.11 Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

# 33.12 Liquidity and interest rate tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

The following table details the Company's expected maturity for its non-derivative financial assets. The information included in the table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Management is generally unable to reasonably estimate a range of possible loss for proceedings or disputes other than those included in the estimate above, including where:

- (i) parties are yet to raise claims on account of damages to the cargo, and
- (ii) there is uncertainty as to the outcome of pending appeals or motions or settlement proceedings;

The Company's management does not believe, based on currently available information, that the outcomes of the above matters will have a material adverse effect on the Company's financial position, though the outcomes could be material to the Company's operating results for any particular period, depending, in part, upon the operating results for such year. It is not practicable for the Company to estimate the timings of cash flows, if any, in respect of the above.

### 35. Disclosure made in terms of schedule V of SEBI (Listing obligation and Disclosure Requirement ) 2015

The Company has not given any loan or advance in the nature of loan to subsidiary, associates or firm/companies in which directors are interested in view of Regulation 34(3) of SEBI (Listing obligations and disclosure requirement) Regulation, 2015.

for the Year Ended March 31, 2018

	Remeasurements of the defined benefit plans	4	(4)
	Effective portion of gain or loss on designated portion of hedging	5	396
Tota	al comprehensive income after tax - Ind AS		744

### Notes:

### Reversal of proposed dividend and tax on equity shares:

Under Ind AS, dividend (not being interim dividend) to holders of equity instruments is recognised as a liability in the period in which the obligation to pay is established i.e when approved by shareholders. Under the Previous GAAP, dividend payable was recorded as liability in the period to which it relates based on the recommendation of Board of Directors. Accordingly, proposed dividend and tax thereon recognised under Previous GAAP was reversed.

# 2. Valuation of investments in mutual funds and equity share at fair value:

Under the Previous GAAP, long term investments were carried at cost less provision for other than temporary diminution in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in equity instruments designated as at fair value through Profit and Loss (FVTPL) have been recognised in the Statement of Profit and Loss for the year ended March 31, 2017.

# 3. Amortisation of loan processing fee under effective interest method:

Under Ind AS, loan processing fee is amortised over the tenure of loan using effective interest rate. The concept of effective interest rate did not exist under Previous GAAP.

# 4. Remeasurement of actuarial gain /(loss):

In accordance with Ind AS 19 "Employee Benefits", remeasurements of actuarial gain and losses of defined benefit plans are recognised in other comprehensive income as compared to the Statement of Profit and Loss under the Previous GAAP.

# 5. Effective portion of cash flow hedges:

Under Ind AS, the effective portion of gain or loss on designated portion of hedging that will subsequently be reclassified to Statement of Profit or Loss are recognised in 'Other comprehensive income'. The concept of Other comprehensive income did not exist under Previous GAAP.

for the Year Ended March 31, 2018

### 6. Deferred taxes

The tax impacts primarily represent deferred tax consequences arising out of valuation of investment in mutual funds and equity share at fair value.

Note: There are no material Ind AS adjustments with regards to the items of Balance Sheet and Statement of Cash Flows other than the reconciling items mentioned above and regrouping of certain account balances as per format prescribed by Division II of Schedule III of Companies Act, 2013.

# 38. Income tax expense / (benefits)

(₹ in lac)

Par	ticulars	Year ended March 31, 2018	Year ended March 31, 2017
(i)	Current tax	88	135
(ii)	Deferred tax	25	-21
		113	114

A reconciliation of the income tax provision to the amount computed by applying the statutory income tax rate to the profit before tax is summarised below:

	Particulars	Year ended March 31, 2018	Year ended March 31, 2017
a)	Profit before tax (a)	8,204	466
b)	Corporate tax rate (b)	34.32%	33.06%
c)	Tax on accounting profit (c = a x b)	2,816	154
d)	Tax impact of exempt income (dividend on mutual funds)	58	95
f)	Impact of difference in rate of tax as per Tonnage Tax Scheme	(2,761)	(135)
g)	Income tax recognised during the year (d)	113	114
h)	Effective tax rate (d/ a)	1%	24%

for the Year Ended March 31, 2018

# INDEPENDENT AUDITOR'S REPORT

To The Members of Shreyas Shipping and Logistics Limited

# Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **SHREYAS SHIPPING AND LOGISTICS LIMITED** (hereinafter referred to as the "Parent" / "Company"), which includes Parent's share of profit in its associate and its joint venture, comprising the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS Financial Statements").

# Management's Responsibility for the Consolidated Ind AS Financial Statements

The Parent's Board of Directors is responsible for the preparation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as the "Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Parent including its associate and a joint venture in accordance with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. The respective Boards of Directors of the Parent, its associate and its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Parent, its associate and its joint venture, and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Parent, as aforesaid.

# Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Parent's preparation of the Consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Parent's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in subparagraphs (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on consolidated financial statements of its joint venture, referred to below in the Other Matters paragraph, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the consolidated state of affairs of the Parent, its associate and a joint venture as at March 31, 2018, and their consolidated profit, consolidated total comprehensive income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

### Other Matters

(a) The Consolidated Ind AS Financial Statements include the Parent's share of net loss of ₹ 5.14 lac and total comprehensive income of ₹ 5.14 lac for the year ended March 31, 2018, as considered in the Consolidated Ind AS Financial Statements, in respect of the joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditor whose report have been furnished to us by the Management and our opinion on the Consolidated Ind AS Financial Statements, in so far as it

# INDEPENDENT AUDITOR'S REPORT

relates to the amounts and disclosures included in respect of the joint venture, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture is based solely on the report of the other auditor.

(b) The comparative financial information of the Group for the year ended March 31, 2017 and the transition date opening consolidated balance sheet as at April 01, 2016 prepared in accordance with Ind AS included in these Consolidated Ind AS Financial Statements have been audited by the predecessor auditor. The report of the predecessor auditor on the comparative financial information dated 25<sup>th</sup> May, 2018 expressed an unmodified opinion.

Our opinion on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor, and in respect of the comparative financial information.

# Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor on separate financial statements and the other financial information of the joint venture incorporated in India, referred in the Other Matters paragraph above, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Parent, an associate and a joint venture incorporated in India as on March 31, 2018 taken on record by the Board of Directors of the Parent, an associate and a joint venture respectively, none of the directors of these entities is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Parent and its associate company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness as at 31st March 2018 of internal financial controls over financial reporting of those companies, for the reasons stated therein.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Parent, its associate and a joint venture.
  - ii. Provision has been made in the Consolidated Ind AS Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Parent, its associate and a joint venture incorporated in India.

**Statutory Report** 

**Financial Section** 

# Annexure A

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

# Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind AS Financial Statements of SHREYAS SHIPPING AND LOGISTICS LIMITED (hereinafter referred to as the "Parent" / "Company") as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of the Company, which includes internal financial controls over financial reporting of its associate company incorporated in India, as of that date. Reporting on the Internal Financial Controls Over Financial Reporting is not applicable to the joint venture company incorporated in India.

# Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Parent and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its associate company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its associate company, which are companies incorporated in India.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# INDEPENDENT AUDITOR'S REPORT

# Annexure A

# Opinion

In our opinion to the best of our information and according to the explanations given to us, the Parent and its associate company, which are companies incorporated in India, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

# NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

for the year ended March 31, 2018

### 1. Corporate information

Shreyas Shipping and Logistics Limited (the "Company" or "SSLL") is a public limited company incorporated in India on 16th August, 1988 under the Companies Act, 1956. The registered office of the Company is 4th Floor, Himalayas, Geetmala Complex, Shah Industrial Estate, Govandi – East Mumbai, Maharashtra, India - 400 088.

SSLL is India's first container feeder owning and operating company. The Company started its operations in 1993 primarily to fill the gap for feedering of containers between Indian ports and internationally renowned Asian transshipment ports. SSLL's shares are listed on both Bombay Stock Exchange and National Stock Exchange. At present, the Company along with its associate (subsidiary until March 26, 2017) and a joint venture company (together referred to as the "Group") is a leading player in coastal shipping sector.

### 2. Applicability of new and revised Ind AS

# Amendments to Ind AS that are notified and adopted by the Group

As per Companies (Indian Accounting Standards) (Amendment) Rules, 2017 dated March 17, 2017, Ministry of Corporate Affairs ("MCA") has notified amendments to two new standards namely Ind AS 102 Share-based Payment and Ind AS 7 Statement of Cash Flows which have become effective from April 1, 2017.

During current period, there are no share based payment transactions and hence Ind AS 102 is not applicable to the Group.

Further, amendment to Ind AS 7 pertains to additional disclosure requirement such as "An entity will be required to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes."

Relevant disclosures in this regard has been provided in foot note (e) to note 15 on Borrowings.

# New standard issued but not yet effective

MCA on March 28, 2018 notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 (the "Rules"). The Rules notify the new revenue standard Ind AS 115, Revenue from Contracts with Customers and also bring in amendment to existing Ind AS. The Rules shall be effective from reporting periods beginning on or after April 1, 2018.

- New revenue standard Ind AS 115 supersedes the existing standards Ind AS 18 "Revenue" and Ind AS 11 "Construction" Contracts". The new standard provides a control-based revenue recognition model and provides a five step application principle to be followed for revenue recognition:
  - i. Identification of the contracts with the customer
  - ii. Identification of the performance obligations in the contract
  - iii. Determination of the transaction price
  - Allocation of transaction price to the performance obligations in the contract (identified in step ii) iv.
  - Recognition of revenue when the Company satisfies a performance obligation.
- Appendix B, (Foreign Currency Transactions and Advance Considerations) to Ind AS 21, "The Effects of Changes in Foreign Exchange Rates" has been notified. The appendix clarifies that the date of the transaction, for the purpose of determining the exchange rate to use on initial recognition of related asset, expense or income, should be the date on which an entity has received or paid an advance consideration in a foreign currency.

The management is assessing the impact of the aforesaid amendments on the Group's financial information.

### 3. Significant accounting policies

### (a) Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its consolidated financial statements following the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 in respect of section 133 of the Companies Act 2013. Accordingly, the Company has prepared these Consolidated Ind AS Financial Statements which comprise the Consolidated Balance sheet as at March 31, 2018, Consolidated Statement of Profit and Loss, Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year ended March 31, 2018 and significant accounting policies and other explanatory information (together hereinafter referred to as "Consolidated Ind AS Financial Statements").

# NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

for the year ended March 31, 2018

# (b) Basis of preparation and presentation

The consolidated financial statements of the Company upto the year ended March 31, 2017, were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") and other relevant provisions of the Act. These consolidated financials statements are the first Ind AS financial statements of the Group and have been approved for issue by the Board of Directors at their meeting held on May 25, 2018. The date of transition to Ind AS is April 1, 2016.

The comparative financial information of the Group for the year ended March 31, 2017 and the transition date opening balance sheet as at April 01, 2016 prepared in accordance with Ind AS included in these Consolidated Ind AS Financial Statements has been audited by PKF Sridhar & Santhanam LLP, the predecessor auditor, vide their report dated May 25, 2018.

The Group has adopted all issued Ind AS standards, as applicable, and the adoption was carried out in accordance with Ind AS 101. The transition was carried out from the Previous GAAP to Ind AS. An explanation of how the transition to Ind AS has affected the reported consolidated financial position and consolidated financial performance of the Group is provided in Note 38. This note includes reconciliations of equity and total comprehensive income for comparative year under Indian GAAP to those reported under Ind AS. Also, refer note 3(s) below for the details of first-time adoption exemptions availed by the Group.

The accounting policies as set out below have been applied consistently to all the periods presented in these consolidated financial statements.

The functional currency of the Company, its associate and a joint venture company is determined to be Indian Rupees. The amounts in the Consolidated Ind AS Financial Statements are also presented in Indian Rupees in lac as permitted by Schedule III to the Companies Act, 2013. Per share data is presented in Indian Rupees rounded to two decimals places.

The Consolidated Ind AS Financial Statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these Consolidated Ind AS Financial Statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs)

### (c) Basis of consolidation

The Consolidated Financial Statements incorporate the financial statements of the Company and its subsidiaries. Control is achieved where the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns

# NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

for the year ended March 31, 2018

The Company reassesses as whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed-off during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the noncontrolling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

The consolidated financial statements of the Group combine financial statements of the Parent and its subsidiaries line-by-line by adding together the like items of assets, liabilities, income and expenses. All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Non-controlling interests represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Parent Group.

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed off the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

### (d) Investments in associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

**Statutory Report** 

**Financial Section** 

for the year ended March 31, 2018

The results and assets and liabilities of associates or joint ventures are incorporated in these Consolidated Ind AS Financial Statements using the equity method of accounting from the date on which the investee becomes an associate or a joint venture. Under the equity method, an investment in an associate or a joint venture is initially recognised in the Consolidated Balance Sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. Distributions received from an associate or a joint venture reduce the carrying amount of the investment.

When a group entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Group's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

# Revenue recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer rebates and other similar allowances.

### (i) Revenue from logistics service operations

- Ocean freight, charter hire income from transportation of cargo by inland and international waterways respectively is recognised following the proportionate completion method on time basis.
- Income from transportation of cargo by road / rail is recognised upon delivery to load port or final place of delivery, as b) applicable.
- In case of end-to end logistics services under multimodal transport, the revenue is recognised following the C) proportionate completion method on time basis for each mode.
- d) Terminal handling charges and ancillary income related to load port and discharge port are recognised on loading / unloading of the container at the load port and discharge port respectively.
- Other operating income from documentation charges and crane handling charges is recognised upon delivery of such services to the customers.

### (ii) Dividend income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

### (iii) Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### (f) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Historical cost comprises its purchase price net of any trade discounts and rebates, import duties and other taxes (other than those subsequently recoverable from tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Consolidated Statement of Profit and Loss.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the pervious GAAP and use that carrying value as its deemed cost as of the transition date.

for the year ended March 31, 2018

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the expected usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Class of assets	Useful lives in years
Dry-dock component of fleet	2.5 years
Containers	15 years
Trailers	10 years
Mobile handsets	3 years
Computers	3-6 years

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life for that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

The Group reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

### Intangible assets (g)

Intangible assets purchased are carried at cost as of the date of acquisition less accumulated amortisation and accumulated impairment losses, if any. Intangible asset in the nature of computer software is amortised on a straight line basis over the estimated useful life of 4 to 6 years.

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected to arise from continued use of the asset. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Consolidated Statement of Profit and Loss.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost as of the transition date.

### Foreign exchange transactions (h)

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Consolidated Statement of Profit and Loss.

Non-monetary items denominated in a foreign currency are measured at historical cost and translated at exchange rate prevalent at the date of transaction.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for the exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

**Financial Section** 

# NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

for the year ended March 31, 2018

Exchange difference arising on settlement / restatement of long-term foreign currency monetary items recognized in the consolidated financial statements for the year ended March 31, 2017 prepared under Previous GAAP, are capitalized as a part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

For the purposes of presenting these consolidated financial statements, the assets and liabilities of the foreign subsidiaries of an associate company are translated into INR using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. Group's share in exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

### **Borrowing costs** (i)

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All the other borrowing costs are recognised in the Consolidated Statement of Profit and Loss in the period in which they are incurred.

### (i) **Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax.

### Current tax:

The Company has opted for Tonnage Tax in respect of shipping income. Current tax for the current period is the aggregate of Tonnage Tax on shipping income determined in accordance with the provisions of Section 115VT of the Income Tax Act, 1961 ("IT Act") and tax on non-shipping income determined based on taxable income and tax credits computed in accordance with the relevant provisions of IT Act.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

### Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax is recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting of a business combination, the tax effect is included in the accounting for the business combination.

for the year ended March 31, 2018

### (k) Provisions and contingent liabilities

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

### **Employee benefits** (1)

### Short-term employee benefits:

Benefits accruing to on-shore employees in respect of wages, salaries, compensated absences and estimated cost of bonus which are expected to be availed within twelve months immediately following the year end are reported as expenses during the year in which the employee performs the service that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Where the availment or encashment is otherwise not expected to wholly occur within the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method at the present value of the estimated future cash flow expected to be made by the Group in respect of services provided by employees up to the reporting date.

In respect of off-shore employees benefits accruing in the nature of salaries are reported as expenses during the year in which the employee performs the related service. The Group does not provide benefits in the nature of bonus or compensated absences to off-shore employees.

### Retirement benefit costs and termination benefits

### Defined contribution plans:

The eligible on-shore employees of the Group are entitled to receive benefits under the provident fund scheme, which is in substance, defined contribution plan, in which both employees and the Group make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary). Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

As per the Company's agreement with National Union Seafarers of India under Section 101 of the Merchant Shipping Act, 1958, the Company, in respect of its off-shore employees, makes monthly contribution towards provident fund and annuity at a specified percentage of the covered employees' salary (currently 12% of basic salary and 10% basic salary respectively) under Seamen's Provident Fund Act and towards gratuity at 12% of basic salary to Seafarers Welfare Fund Society. Payment to these funds are regarded as contribution to defined contribution retirement benefits plans as the Company's liability is restricted to the contribution made to these funds and recognised as an expense when employees have rendered the services entitling them to the contribution.

### Defined benefit plans:

The Group's liabilities towards gratuity to on-shore employees is determined using the projected unit credit method, with actuarial valuations being carried out on yearly basis.

**Financial Section** 

for the year ended March 31, 2018

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Consolidated Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in other equity and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement

The Group presents the first two components of defined benefit costs in the Consolidated Statement of Profit and Loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The defined benefit obligation recognised in the Consolidated Balance Sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of termination benefit and when the entity recognises any related restructuring costs.

### (m) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax of the Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax of the Group as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

### (n) Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the leases. All other leases are classified as operating leases.

### Company as a lessor:

Rental income from operating leases is recognised on straight line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on straight line basis over the lease term.

### Company as a lessee:

Assets held under finance leases are initially recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Consolidated Balance Sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the Consolidated Statement of Profit or Loss.

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease.

### (o) Government grant

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attached to them and that the grants will be received.

for the year ended March 31, 2018

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in the profit or loss in the period in which they become receivable.

### Accounting and reporting of information for Operating Segments

Operating segments are those components of the business whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM") in the Group to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

### (p) Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make sale.

Cost of inventories include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories of fuel oil, lube oil and victualling stock is determined on first-in-first-out basis. Store and spares is charged off to the Consolidated Statement of Profit and Loss upon receipt on vessel.

### (r) Financial instruments

Financial assets and financial liabilities are recognised when Group becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Consolidated Statement of Profit and Loss.

### Non-derivative financial instruments:

### Cash and cash equivalents i)

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

### ii) Financial assets carried at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Consolidated Statement of Profit and Loss.

Financial Section

for the year ended March 31, 2018

### v) **Equity instruments**

An equity instrument is a contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue

### vi) Financial liabilities at amortized cost

Financial liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### Impairment: (b)

### i) Financial assets:

The Group assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

The Group assessed the expected credit losses associated with its assets carried at amortised cost and fair value through other comprehensive income based on the Group's past history of recovery, credit worthiness of the counter party and existing market conditions.

### ii) Non-financial assets:

### Property, plant and equipment:

Property, plant and equipment and intangible assets with finite lives are evaluated for recoverability wherever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Consolidated Statement of Profit and Loss.

### De-recognition of financial assets (c)

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expires or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Consolidated Statement of Profit and Loss.

A financial liability (or a part of a financial liability) is derecognised from the Group's Consolidated Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Consolidated Statement of Profit and Loss.

### Derivative financial instruments

The Group enters into derivative financial instruments to manage its exposure to interest rate and foreign exchange rate

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Consolidated Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedged item and hedging relationship.

for the year ended March 31, 2018

### (e) Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Consolidated Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### Fair value of financial instruments:

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value and such value may never actually be realised.

### Hedge accounting

The Group designates certain hedging instruments, which include derivatives in respect of foreign currency, as either cash flow hedge or fair value hedge. Hedges of foreign currency risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Group documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to hedged risk.

### Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognized in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to hedged risk are recognized in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

### Cash flow hedges

The effective portion of changes in fair value of derivatives that are designated and qualify as cash flow hedges is recognized in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to effective portion as described above are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains or losses are transferred from equity (but not as a reclassification adjustment) and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

### First time adoption: (s)

The Group has prepared the opening Consolidated Balance Sheet as per Ind AS as of April 1, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions, as detailed below.

Financial Section

for the year ended March 31, 2018

### i. Deemed cost for property, plant and equipment and intangible assets:

The Group has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP as its deemed cost as at the date of transition.

### ii. De-recognition of financial assets and financial liabilities

The Group has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after the transition date.

### iii. Designation of previously recognised financial instruments

The Group has designated financial liabilities and financial assets at fair value through profit or loss on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

### iv. Impairment of financial assets

The Group has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Group has not undertaken an exhaustive search for information when determining, at the date of transition, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

### v. Classification of debt instruments

The Group has determined the classification of debt instruments (asset) in terms of whether they meet the amortised cost or the fair value through other comprehensive income (FVTOCI) criteria based on the facts and circumstances that existed as of the transition date.

### vi. Long term foreign currency monetary item:

The Group has continued with the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the consolidated financial statements prepared under Previous GAAP as at and for the year ended March 31, 2017.

### 4. Key sources of estimation uncertainty and critical accounting judgements:

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions about the reported amounts of assets and liabilities, and, income and expenses that are not readily apparent from other sources. Such judgments, estimates and associated assumptions are evaluated based on historical experience and various other factors, including estimation of the effects of uncertain future events, which are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the management in the process of applying the company's accounting policies and that have the most significant effect on the amount recognised in the consolidated financial statements and/or key sources of estimation uncertainty that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

### i. Revenue recognition:

The Group recognises unfinished voyage income and related expenses based management's estimates on the average number of days required to complete the voyage from the port of origin for the voyage to the port of destination given its operational performance during the year. The actual travel time per voyage may differ leading to differences in unfinished voyage income and expenses to be recognised for voyages in-transit at the end of the period.

for the year ended March 31, 2018

### ii. Useful lives and residual values of property, plant and equipment:

As described in note 3(f) above, the management reviews the useful lives of property, plant and equipment at least once a year. Such lives for fleet are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs, historical planned and scheduled maintenance, the operating condition of the vessel etc. Accordingly, depreciable lives are reviewed annually using the best information available with the Management.

Residual values is estimated based on the steel scrap rate applied to the light weight of each vessel at the end of each financial year.

It is possible that the estimates made based on existing experience are different to the actual outcomes within the following financial periods and could cause a material adjustment to the carrying amount or depreciation charge on Property, Plant and Equipment.

### iii. Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystalising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in Note 32 but are not recognized. Group's assessment of exposure to contingencies could change as new developments occur or more information becomes available. The outcome of the contingencies could vary significantly and could materially impact the Group's results and financial position.

### **Expected credit losses:**

The Group assesses its expected credit losses at each reporting date. Allowances are applied to receivables where events or changes in circumstances indicate that the carrying amounts may not be recoverable. Key assumptions applied are experience (including comparisons of the relative age of accounts and consideration of actual write-off history), customer creditworthiness, changes in customer payment terms, the estimated debt recovery rates and future market conditions that could affect recovery. The actual level of debt collected may differ from the estimated levels of recovery.

### Defined benefit plans:

The cost of defined benefit plan and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations and mortality rates etc. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

### Fair value measurements vi.

When the fair values of financial assets or financial liabilities recorded or disclosed in the consolidated financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values, ludgements include consideration of inputs such as liquidity risk, credit risk and volatility.

### 13.2 Terms and Rights attached to Equity Shares

- The Company has only one class of equity shares having a par value of ₹ 10 each. Each shareholder of equity shares is entitled to one vote per share. Dividend proposed by the Board of Directors, if any, is subject to the approval of the Shareholders in the ensuing Annual General Meeting, except in the case of interim dividend.
- In the event of liquidation, the equity share holders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their share holding.

### 13.3 Shareholders holding more than 5% share in the Company as setout below:

Retained earnings	26,536	19,046	10,500
(b) Other comprehensive income			
Cash flow hedging reserve	(864)	(752)	(1,148)
Foreign currency translation reserve	(18)	-	-
	40,044	31,134	21,717

### Nature and Purpose of other reserves

- Capital redemption reserve: The Companies Act provides that Companies redeeming preference shares at face value or nominal value is required to transfer an equivalent amount into capital redemption reserve. This reserve can be used to issue fully paid up bonus shares to the shareholders of the Company.
- Securities premium reserve: The amount received in excess of face value of equity shares is recognised in share premium reserve. This is not available for distribution of dividend but can be utilised for issuing bonus shares.
- Tonnage tax reserve: The reserve is a statutory reserve as per requirements of section 115VT of the Income Tax Act, 1961 for the purpose of complying with the conditions of tonnage tax scheme.
- Tonnage tax utilisation reserve: The tonnage tax utilisation reserve represents the utilisation of tonnage tax reserve created as per requirements of section 115VT of the Income Tax Act, 1961 for the purpose of purchase of vessel.
- **General reserve:** The Company created a general reserve in earlier years pursuant to the provisions of the Companies Act wherein certain percentage of profits were required to be transferred to general reserve before declaring dividends. The provisions of the Companies Act 2013, do not mandate transfer of profits to general reserve. General reserve is a free reserve available for distribution subject to compliance with the Companies (Declaration and Payment of Dividend) Rules, 2014.
- Retained earnings: Retained earnings comprise balances of accumulated (undistributed) profit and loss at each year end. (f)
- Cash flow hedging reserve: Cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated hedging instruments entered into for cash flow hedges, which shall be reclassified to the Consolidated Statement of Profit and Loss only when the hedged transaction affects the profit or loss.
- Foreign currency translation reserve: Group's share in exchange differences relating to translation of the reserves of the foreign operations of an associate from their functional currencies to the Group's presentation currency (i.e INR) are recognised directly in other comprehensive income and accumulated in the foreign currency translation reserve.

Earnings per share (₹) - basic and diluted (face value ₹ 10/- per share)	41.92	48.31

### 30. SEGMENT INFORMATION

The Group has determined 'Sea Logistics' as its single reportable segment based on the information reviwed by the Group's Chief Operating Decision Maker (CODM).

The information relating to revenue from customers and location of its non-current assets of its single reportable segment is as under:

### a) Revenue from operations:

(₹ in lac)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
With in India	47,264	62,430
Outside India	6,795	9,330
	54,059	71,760

### Non-current assets (b)

All non-current assets other than financial instruments and deferred tax assets of the Group are located in India.

for the year ended March 31, 2018

### Information about major customers (c)

Revenue from operations include revenue of ₹27,052 lac for the year ended March 31, 2018 (for the year ended March 31, 2018). ₹ 20,016 lac) from the single largest customer of the Group. No other single customer contributed 10% or more to the Group's revenue for the current and previous year.

### 31. Subsidiaries

Details of the Group's subsidiaries at the end of the reporting period are as follows:

Name of the subsidiary	Principal activity	-	Proportion of ownership interest and voting power held by the Group		nd voting power
			As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
a) Avana Logistek Limited (refer footnote (i) below)	Non vessel operating common carrier	India	-	-	100%
b) SRS Freight Management Limited (refer footnote (ii) below)	Freight forwarding services	India	-	-	51.17%

### Footnotes:

On March 26, 2017, pursuant to allotment of equity shares by Avana Logistek Limited (formerly known as Shrevas Relav Systems Limited) to Transworld Holdings, Mauritius, in consideration for the acquisition of equity shares in Avana Global FZCO, Dubai (formerly known as Balaji Shipping Lines FZCO), the Group ceased to have control over Avana Logistek Limited. On and from that date, based on Management's evaluation that the Group exercises significant influence over Avana Logistek Limited, the Group has consolidated the financial results of Avana Logistek Limited using the equity method. Also, as of the date of loss of control, the Company recognized a gain of ₹ 12,430 lac which has been classified as an exceptional item. Therefore, the consolidated financial statements of the previous year may not be comparable to those of the current year.

Following revenue and expenses upto the date of losing control i.e. March 26, 2017 in Avana Logistek Ltd. forms part of the Consolidated Statement of Profit and Loss for the year ended March 31, 2017:

(₹ in lac)

PARTICULARS	Amount
Revenue	54,109
Expenses	53,336

Following assets and liabilities of Avana Logistek Ltd. as on March 26, 2017 have been derecognised from Consolidated Balance Sheet as on March 31, 2017:

(₹ in lac)

PARTICULARS	Amount
Non-current assets	41,280
Current assets	8,516
Total Assets	49,796
Non-current liabilities	1,442
Current liabilities	10,132
Total Liabilities	11,574

Gain associated with loss of control attributable to the former controlling interest in Avana Logistek Ltd. upon recognition of investment retained at its fair value in accordance with Ind AS 109 has been recognised in the consolidated Statement of Profit and Loss for the year ended March 31, 2017 as follows:

for the year ended March 31, 2018

(₹ in lac)

PARTICULARS	Amount
Revenue	12,430
Expenses	(2,560)
	9,870

Pursuant to sale of shares on October 29, 2016 to BSL Freight Solutions Private Limited, SRS Freight Management Limited ceased to be subsidiary of the Company from that date.

### Gain on disposal of subsidiary

(₹ in lac)

PARTICULARS	Amount
Consideration received	212
Net assets disposed off	(300)
Non controlling interests (refer note 14.1)	108
	20

### Net cash inflow on disposal of subsidiary

PARTICULARS	Amount
Consideration received in cash and cash equivalents	212
Less: cash and cash equivalents balances disposed off	(37)
	175

### 32. Contingent liabilities and commitments

### **Contingent liabilities**

(₹ in lac)

Part	ticulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
(i)	Claims against the Group not acknowledged as debts:			
	- Differential custom duty on conversion of fleet from foreign run to coastal run.	53	53	-
	<ul> <li>Claim by a party for expenses incurred in connection with search and rescue operations and allied activities carried out for a vessel in distress during July, 2006 (recoverable from Insurance company)</li> </ul>	-	306	306
	- Others	-	-	15
(ii)	Corporate guarantee given on behalf of Associate (including interest) (Subsidiary till March 26, 2017)	-	1,769	-
(iii)	Bank guarantees	344	75	=
(iv)	Share of contingent liabilities of an associate	2,899	2,750	-
Tota	al	3,296	4,953	321

Management is generally unable to reasonably estimate a range of possible loss for proceedings or disputes other than those included in the estimate above, including where:

- parties are yet to raise claims on account of damages to the cargo, and
- there is uncertainty as to the outcome of pending appeals or motions or settlement proceedings;

for the year ended March 31, 2018

The Group's management does not believe, based on currently available information, that the outcomes of the above matters will have a material adverse effect on the Group's financial position, though the outcomes could be material to the Group's operating results for any particular period, depending, in part, upon the operating results for such year. It is not practicable for the Group to estimate the timings of cash flows, if any, in respect of the above.

### b. Capital and other commitments

### Capital commitment

Share of estimated amount of contracts remaining to be executed on capital account and not provided for of an associte -₹ 10 lac (as at March 31, 2017 and April 01, 2016 - ₹ Nil).

### Other commitments

### Finance lease commitments:

The Group has taken 1,000 Containers on finance lease for a period of 5 years with an option to purchase them at the end of lease tenure at a price sufficiently lower then fair value. Future minimum lease payments under finance leases together with the present value of the net minimum lease payments are as follows:

				(₹ in lac)

c)	Later than five years	-	-	-

### Operating lease commitments:

The Company's operating lease arrangements are in respect of containers, office premises and vehicles.

The Group has taken containers on cancellable lease and the lease rental mentioned in below table is charged to the Consolidated Statement of Profit and Loss. (₹ in lac)

PARTICULARS	Year ended March 31, 2018	Year ended March 31, 2017
Container lease rent	-	2,625

The Group has entered into cancellable and non-cancellable operating leasing arrangements for its various office premises and the lease rental expense recognised for cancellable and non-cancellable arrangements are mentioned in below table is charged to the Consolidated Statement of Profit and Loss. (₹ in lac)

PARTICULARS	Year ended March 31, 2018	Year ended March 31, 2017
Office lease rent	39	196

for the year ended March 31, 2018

The minimum future lease rentals payable in respect of non-cancellable lease period are as follows:

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Within less than one year	-	-	96
Between one and five years	-	-	280
After more than five years	-	-	-

The Company has entered into cancellable operating lease arrangements for vehicles and the lease rental mentioned in below table is charged to the Consolidated Statement of Profit and Loss. (₹ in lac)

PARTICULARS	Year ended March 31, 2018	Year ended March 31, 2017
Vehicle lease rent	15	50
	15	50

<sup>33</sup> i) The amount due to Micro and Small Enterprises as defined in the "The Micro, Small and Medium Enterprises Development Act, 2006" has been determined to the extent such parties have been identified on the basis of information collected by the Management.

ii) Disclosure under Micro, Small and Medium Enterprise Development Act, 2006:

PARTICULARS		As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
(a)	The principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier as at the end of each accounting year;	Principal- ₹9 lac	Principal- ₹12 lac	Principal- ₹6 lac
(b)	The amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil	Nil
(c)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006;	Nil	Nil	Nil
(d)	The amount of interest accrued and remaining unpaid at the end of each accounting year; and	Nil	Nil	Nil
(e)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	Nil	Nil	Nil

for the year ended March 31, 2018

### 34. Employee benefit plan

### 34.1. Defined contribution plan

The Company's contribution to defined contribution plans are as under:

(₹ in lac)

Particulars	Deposited with	Year ended March 31, 2018	Year ended March 31, 2017
(a) On-shore employees			
(i) Provident fund	Employee's Provident fund organisation	44	74
(b) Off-shore employees			
(i) Provident fund	The Commission Seamen's Provident Fund office	49	14
(ii) Annuity		20	17
(iii) Gratuity	Seafarers Welfare Fund Society		10
Total	·	124	115

### 34.2. Defined benefit plans

### **Gratuity (funded)**

The Group provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity shall be payable to an employee on the termination of his employment after he has rendered continuous service for not less than 5 years, or on the superannuation or resignation. However, in case of death of the employee, the minimum period of 5 years shall not be required. The amount of gratuity payable on termination/retirement is the employee last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years' service completed.

The amount included in the balance sheet arising from the entity's obligation in respect of gratuity is as follows:

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Present value of funded defined benefit obligation	217	151	243
Fair value of plan assets	(242)	(146)	(189)
Amount not recognized due to asset limit	1	-	-
Net liability / (asset) arising from defined benefit			
obligation (refer note 17)	(24)	5	54

Amounts recognised in Statement of Profit and Loss in respect of these defined benefits plans are as follows:

(₹ in lac)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Service cost		
Current service cost	9	20
Interest on net defined benefit liability/(assets)	(1)	3
Components of defined benefit costs recognised in profit or loss	8	23
		(₹ in lac)

**Particulars** Year ended Year ended March 31, 2018 March 31, 2017 Remeasurement on the net defined benefit liability due to: Actual return on plan assets less interest on plan assets (10)Actuarial (Gains)/losses arising from changes in financial assumptions (15)Actuarial (Gains)/losses arising from experience assumptions 73 Adjustment to recognise the effect of asset ceiling 1 Components of defined benefit costs recognised in other 49 comprehensive income

**Financial Section** 

for the year ended March 31, 2018

The current service cost and the net interest expense for the year are included in the "Employee benefits expense" line item in the Consolidated Statement of Profit and Loss.

The remeasurement of the net defined liability is included in other comprehensive income.

### Movements in the present value of the defined benefit obligations are as follows:

(₹ in lac)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Opening defined benefit obligations	151	243
Current service cost	9	20
Interest cost	6	15
Remeasurement (gains)/losses:		
Actuarial (gains)/losses arising from changes in financial assumptions	(15)	7
Actuarial (gains)/losses arising from experience assumptions	73	7
Adjustment on disposal of a subsidiary	-	(135)
Benefits paid	(7)	(5)
Liabilities assumed / (settled)	-	(1)
Closing defined benefit obligation	217	151

### Movements in the fair value of the plan assets are as follows:

(₹ in lac)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Opening fair value of plan assets	146	189
Contribution from the employer	87	61
Interest income	7	12
Remeasurement gains/(losses)		
Actual return on plan assets less interest on plan assets	10	10
Adjustment on disposal of subsidiary		(120)
Benefits paid	(8)	(5)
Assets acquired / (settled)	-	(1)
Closing fair value of plan assets	242	146

The fair value of major categories of plan assets are as follows:

(₹ in lac)

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Insurer managed funds (managed by LIC of India)	242	146	189
	242	146	189

The principal assumptions used for the purposes of the actuarial valuations were as follows:

(Valuation as at)	(Va	luation	as at	1
-------------------	-----	---------	-------	---

		(valuation as at)	
Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Discount rate(s)	7.45%	6.80%	7.60%
Expected rate(s) of salary increase	5.00%	7.00%	7.00%

In assessing the Group's post retirement liabilities, the Group monitors mortality assumptions and uses up-todate mortality tables, the base being the Indian assured lives mortality (2006-08) ultimate.

for the year ended March 31, 2018

The Group expects to contribute ₹ Nil (for the year ended March 31, 2017: ₹ 5 lac) to its gratuity plan for the next year.

Expected return on plan assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations after considering several applicable factors such as the composition of plan assets, investment strategy, market scenario, etc.

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Sensitivity analysis of significant actuarial assumptions:

(₹ in lac)

Particulars	As at March	n 31, 2018	As at March	n 31, 2017
	Increase	Decrease	Increase	Decrease
Discount rate (-/+ 50 bps)	(3)	3	(3)	3
Salary growth rate (-/+ 50 bps)	3	(3)	3	(3)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years."

### b) Compensated absences (unfunded)

As per the Group's policy accummulated leave may be availed by an employee during the period of his service and may be encashed on seperation (i.e due to death, retirement, separation or resignation). Compensated abensces which are not expected to be encashed or availed within twelve months of the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance Sheet date.

### (c) These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using
	a discount rate which is determined by reference to market yields at the end of the reporting period on
	government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan
	assets are managed by Life Insurance Corporation of India as part of their Group Gratuity Scheme.
Interest risk	A decrease in the government bond interest rate will increase the plan liability; however, this will be partially
	offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the
	mortality of plan participants both during and after their employment. An increase in the life expectancy of
	the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan
	participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

In respect of the plans, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2018 by Mr. Arpan N. Thanawala, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation and the related current service costs and past service cost, are measured using the projected unit credit method.

for the year ended March 31, 2018

### 35. Deferred tax movement

(₹ in lac)

Deferred tax balances in relation to		As at March 31, 2017	Recognised / (reversed) through profit or loss	Recognised in / reclassified from other comprehensive income	As at March 31, 2018

for the year ended March 31, 2018

(₹ in lac)

Particulars		Fair value hierarchy	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016	Valuation technique(s) and key input(s)
(A)	Financial assets and liabilities measured at fair value on recurring basis					
	Investment in mutual funds	Level 1	2,831	4,640	6,571	Closing NAV of the mutual fund schemes
	Interest rate swaps not designated in hedge accounting relationship	Level 2	22	-	-	D-f(-)
	Foreign currency forward contracts designated in hedge accounting relationship	Level 2	-	751	1,148	Refer note (a) below
	Investment in equity shares	Level 3	9	9	23	Net asset value method
(B)	Financial assets and liabilities measured at amortised cost for which fair values are disclosed					
	Non current borrowings (including current maturities)	Level 3	74	-	2,780	Refer note (b) below

### Footnotes:

- Discounted cash flow. Future cash flows are estimated based on forward interest rates (from observable yield curves at the end of the reporting period) and contract interest rates, discounted at a rate that reflects the credit risk on various counter parties
- Generally accepted pricing model based on discounted cash flow analysis with most significant input being the discounting rate that reflects the credit risk of counterparties.
- The management considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements, other than as detailed in table above, approximate their fair values.

The following table presents the changes in investment in equity shares (level 3 item):

for the year ended March 31, 2018

### 36.3 Details of financial assets pledged as collateral

Carrying amount of financial assets provided as a collateral for obtaining borrowing and other facilities from the bankers are as follows:

(₹ in lac)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Financial assets		· ·	<u> </u>
Investments	2,520	4,011	4,687
Trade receivables	14,075	9,110	11,472
Cash and cash equivalents	723	977	652
Bank balances other than above	47	69	79
Other financial assets	582	171	655
Total	17,947	14,338	17,545

### 36.4 Financial risk management objectives

While ensuring liquidity is sufficient to meet Group's operational requirements, the Group's financial management committee also monitors and manages key financial risks relating to the operations of the Group by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

### 36.5 Market risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of a business. The major components of market risk are freight rate movement, commodity price risk (fuel), foreign currency exchange risk and interest rate risk.

### 36.6 Foreign currency risk management

The Group undertakes transactions denominated in different foreign currencies and consequently exposed to exchange rate fluctuations. Exchange rate exposures are managed within approved policy parameters. The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Financial assets			
Receivables			
USD	4,172	2,656	2,897

PKR	5	-	-
FCNR Loan - USD	25,427	14,437	12,272

for the year ended March 31, 2018

### 36.7 Foreign currency sensitivity analysis

The Group is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables. As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between INR and following currencies, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below. A positive number below indicates an increase in profits or equity where INR strengthens 5% against the relavant currency. For a 5% weakening of INR against the relavant currency, there would be a comparable impact on profit or equity, and the balances below would be negative.

Currency	Paya	Payables		
	Weakening of INR by 5%	Strengthening of INR by 5%

**Financial Section** 

# NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

for the year ended March 31, 2018

In the management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

The Company undertakes transactions denominated in different foreign currencies and consequently exposed to exchange rate fluctuations. Exchange rate exposures are managed within approved policy parameters. The Company resorts to cash flow hedge to manage its foreign exchange risk.

- Nominal value of foreign currency forward contracts designated as hedging instruments is ₹ 3,288 lac as at March 31, 2017 (₹ 3,731 lac as at April 01, 2016) and their corresponding fair values amounts to ₹ 751 lac as at March 31, 2017 (₹ 1,148 lac as at April 01, 2016), with maturity upto July 2020.
  - The accumulated balance in the cash flow hedging reserve will be recycled into the Consolidated Statement of Profit and Loss in the period in which the corresponding forcasted sales occur.
- Foreign currency borrowings are designated as hedging instruments in cash flow hedges of forecast sales in US Dollar. These forecast transactions are highly probable. The balance of foreign currency borrowings varies with changes in foreign exchange

Carrying amount of foreign currency borrowings designated as hedging instruments is ₹ 12,620 lac as at March 31, 2018 with maturity upto March 2025.

Net unrealised gain of ₹112 lac (negative) relating to effectiveness of cash flow hedges of expected future sales is included in OCI and the hedge ineffectiveness of ₹ 99 lac is recognised in the Consolidated Statement of Profit and Loss.

### 36.8 Interest rate risk management

The Group is exposed to interest rate risk because of borrowing of funds at floating interest rates.

The following table provides a break-up of the Group's fixed and floating rate borrowings:

(₹ in lac)

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	April 01, 2016
Fixed rate borrowings	74	-	2,779
Floating rate borrowings	26,155	17,597	18,534
Total borrowings	26,229	17,597	21,313

During the current year, the Group has entered into an interest rate swap contract that converts ₹ 1,603 lac of floating rate borrowings into fixed rate borrowings.

### Interest rate sensitivity analysis

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Group's profit for the year ended March 31, 2018 would decrease/increase by ₹ 123 lac (for the year ended March 31, 2017: ₹ 88 lac)

### 36.9 Other price risks

The Group is exposed to price risk arising from investments in mutual funds. Group's equity investments are held for strategic rather than trading purpose.

The sensitivity analysis below have been determined based on the exposure to mutual fund price risk at the end of the reporting period. If the Net Asset Value of the mutual fund scheme has been 5% higher / lower; profit for the year ended March 31, 2018 would increase / decrease by ₹ 142 lac (for the year ended March 31, 2017: increase / decrease by ₹ 232 lac ) as a results of the changes in the fair values of mutual fund investments."

### 36.10 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing only with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Credit risk arises from cash and cash equivalents, deposits with banks as well as customers including receivables. Credit risk management considers available reasonable and supportive forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory changes, government directives, market interest rate).

for the year ended March 31, 2018

Credit exposure is managed by counterparty limits for investment of surplus funds which is reviewed by the Management. Investments in liquid plan/schemes are with reputed fund houses having high rating. For banks, only high rated banks are considered for placement of deposits. Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

Of the trade receivables balance as at March 31, 2018, ₹8,317 lac (as at March 31, 2017 - ₹4,918 lac; as at April 01, 2016 - ₹Nil) is due from Avana Logistek Limited (formerly known as Shreyas Relay Systems Ltd.). There are no other customers who represent more than 10% of total balance of trade receivables."

### 36.11 Liquidity risk management

The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

### 36.12 Liquidity and interest rate tables

The following tables detail the Group's remaining contractual maturity for its financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows.

The following table details the Group's expected maturity for its financial assets. The information included in the table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Group's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Differential gain upon change of relationship of M/s Avana Logistek Limited from subsidiary	to	12,400
associate		
Others		(9)
Impact on account of deferred tax	10	(2,598)
Net profit after tax under Ind AS		10,607
Other Comprehensive Income (net of tax)		
Remeasurements of the defined benefit plans	9	(4)
Effective portion of gain or loss on designated portion of hedging	12	396
Total comprehensive income after tax - Ind AS		10,999
Madaa		

#### Notes:

#### 1. Net impact of unfinished voyage income/expenses:

Revenue and expenses related to incomplete voyages have been deferred to the subsequent period following the percentage completion method for revenue recognition in accordance with Ind AS 18, "Revenue".

#### 2. **Expected credit loss:**

Impairment for trade receivable is measured under Ind AS based on expected credit loss model versus incurred loss model under the Previous GAAP.

for the year ended March 31, 2018

#### 3. Recognition of constructive obligation towards customary bonus:

In accordance with Ind AS 19 "Employee Benefits", the Company has recognised provision for constructive obligation in the period to which it pertains rather than recognition of expenses at the time of making the payment.

#### 4. Reversal of proposed dividend on equity shares and tax thereon:

Under Ind AS, dividend (not being interim dividend) to holders of equity instruments is recognised as a liability in the period in which the obligation to pay is established i.e when approved by shareholders. Under the Previous GAAP, dividend payable was recorded as liability in the period to which it relates based on the recommendation of Board of Directors. Accordingly, proposed dividend and tax thereon recognised under Previous GAAP was reversed.

#### 5. Valuation of investments in mutual funds and equity shares at fair value:

Under the Previous GAAP, long term investments were carried at cost less provision for other than temporary diminution in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in equity instruments designated as at fair value through profit or loss (FVTPL) have been recognised in the Consolidated Statement of Profit and Loss for the year ended March 31, 2017.

#### Amortisation of loan processing fee on borrowing under effective interest method: 6.

Under Ind AS, loan processing fee on borrowing is amortised over the tenure of loan using effective interest rate. The concept of effective interest rate did not exist under Previous GAAP.

#### 7. Preference share capital and dividend thereon:

Under Ind AS 109, redeemable preference shares capital is treated as debt as the same is fully repayable on redemption date and accordingly same is re-classified as liability instead of equity. Further, dividends payable on such preference shares are required to be recognized as expenses in Consolidated Statement of Profit and Loss. Such dividend was recognised as an item of appropriation of Retained Earnings under the Previous GAAP.

#### 8. Prior period adjustments:

Under Ind AS, an entity shall correct material prior period errors retrospectively. Accordingly, custom duty of ₹ 1 1 1 lac paid in respect of certain containers leased from other parties (which had to be amortised in the year March 31, 2016) and other expenses of ₹ 11 lac relating to earlier periods and not 2016-17 have been adjusted in the opening retained earnings as on the transition date for carrying out the rectification.

#### 9. Remeasurement of actuarial gain / (loss):

In accordance with Ind AS 19 "Employee Benefits", remeasurements of actuarial gain and losses of defined benefit plans are recognised in other comprehensive income instead of the Consolidated Statement of Profit and Loss as was done under the Previous GAAP.

#### 10. Deferred taxes

The tax impacts primarily represent deferred tax consequences arising out of Ind AS adjustments.

#### 11. Non-controlling interests

Under Previous GAAP, non-controlling interests were presented in the consolidated balance sheet separately from liabilities and the equity of the parent's shareholders. Under Ind AS, non-controlling interests are presented in the Consolidated Balance Sheet within total equity, separately from the equity attributable to the owners of the Company.

#### 12. Effective portion of cash flow hedges:

Under Ind AS, the effective portion of gain or loss on designated portion of hedging that will subsequently be reclassified to profit or loss are recognised in 'Other Comprehensive Income' under the cash flow hedging reserve. The concept of Other Comprehensive Income did not exist under Previous GAAP.

Note: There are no material IND AS adjustments with regards to the items of Consolidated Balance Sheet and Consolidated Statement of Cash Flows other than the reconciling items mentioned above and regrouping of certain account balances as per format prescribed by Division II of Schedule III of Companies Act, 2013.

for the year ended March 31, 2018
